"Compared to a year ago, unemployment rates are lower in every county, all metro areas and all major cities except Brookfield, where the rate was unchanged," DWD Secretary Reggie Newson said. "More people are working, and we expect more people to gain employment in the weeks and months ahead."

Secretary Newson said job openings on www.JobCenterofWisconsin.com, have exceeded 40,000 statewide, and he urges job seekers to visit the website and pursue these opportunities.
