**Explanation Of The Complaint (Use extra sheets if necessary)**

Left work on 1-4-13 at 8pm. received a call at 9am from co-workers advising me "Eric told everyone" were done - pack up - go home". I showed up for work on 1-7-13, gates were locked. Went to sales office on Grandview, was unable to speak tonight. Called GG union and no one is talking. I called WFD & was told I could file this.

The statements made above are true to the best of my knowledge. I understand if the employer wants to review this complaint, it is an open record.

Please note:

They have the main office on Delefield and ANOTHER on Grandview where they have moved their operations after the unlawful closing of Golden Guernsey.

Note.. last month they had the facility appraised, I personally saw and asked what they were doing. I'm sure the wheels were in motion to close the plant then

Lastly, rumor has it that they are filing for bankruptcy on Wed the 9<sup>th</sup> of January to avoid any financial responsibilities.

Please look into Open Gate Capital, they are an investment firm with other assets and because they had no idea how to get milk from the teat to the table is DOJ's fault for not wanting someone with dairy business purchasing the plant when they and Feingold got the wheels in motion.
