Clinic Topics

- Defining Misconduct under Wisconsin's Unemployment Insurance Law
- Preparing for Unemployment Insurance appeals hearings
- An overview of Wisconsin's Fair Labor Standards law
- Workplace harassment

Presentations provide an initial orientation to the topic. Speakers are "hands-on" experts working within the program area and are available to respond to a wide range of questions about their programs. Extensive resource materials such as employer handbooks, brochures and other legal references are available free of charge.

Registration for the clinic is required and there is a \$77 per person fee. A registration form is available from the DWD web site dwd.wisconsin.gov/laborlaw. To receive notification of future clinic dates, an email subscription service is available through the web site.
