

Responsibility Checklist for DVR Consumers Applying for a DVR Training Grant

You are responsible for making sure that all the items listed on the checklist are completed. If you do not, it might affect your financial aid and/or your DVR Training Grant.

- Apply for federal financial aid as soon as allowable but no later than April 15th. You can fill out a free application at <http://www.fafsa.ed.gov>. You can also get a paper copy from your high school guidance office or from the financial aid office at the school you plan to attend.
- Apply for admission to the school(s) you are interested in attending if you are a new or transfer student.
- Register for classes and give DVR a copy of your class schedule
- Get the *DVR Training Grant - Information Form* from DVR. **Sign and return** the form to DVR. Your signature gives permission for the financial aid office to share financial aid information with DVR. If you are under 18, a parent or guardian must also sign the form.
- DVR will send the signed *DVR Training Grant - Information Form* to the financial aid office of the school you plan to attend. When the form has been completed, DVR will contact you to let you know the amount of your DVR Training Grant award. Discuss the results with your DVR counselor.
- If you change your schedule or credit load, notify DVR immediately.

Before you can get your DVR Training Grant for the second semester/quarter, you must provide documentation to DVR showing that you used your training grant to pay for your school costs. Discuss with your counselor what documentation is needed and when you must provide this to DVR. You must also provide a copy of your grade report for the first semester/quarter.
