

Workers' Compensation Treatment Guidelines

DWD 81.01 Purpose And Application

- (1) Purpose 161
- (2) Application 161

DWD 81.02 Incorporation By Reference 161

DWD 81.03 Definitions

- (1) Active treatment 161
- (2) Chronic pain 161
- (3) Condition 162
- (4) Day 162
- (5) Emergency treatment 162
- (6) Etiology 162
- (7) Functional status 162
- (8) Initial nonsurgical management or treatment 162
- (9) Medical imaging procedure 162
- (10) Medically necessary treatment 162
- (11) Neurologic deficit 162
- (12) Progressive neurological deficit 162
- (13) Passive treatment 162
- (14) Static neurologic deficit 162
- (15) Therapeutic injection 162
- (16) Week 162

DWD 81.04 General Treatment Guidelines; Excessive Treatment

- (1) General 162
- (2) Documentation 163
- (3) Nonoperative treatment 163
- (4) Chemical dependency 163
- (5) Departure from guidelines 163

DWD 81.05 Guidelines For Medical Imaging

- (1) General principles 164
- (2) Specific imaging procedures for low back pain 164

DWD 81.06 Low Back Pain

- (1) Diagnostic procedures for evaluation of low back injury 166
- (2) General treatment guidelines for low back pain 169
- (3) Passive treatment modalities 170
- (4) Active treatment modalities 172
- (5) Therapeutic injections 172
- (6) Surgery, including decompression procedures and arthrodesis 173
- (7) Chronic management 174
- (8) Durable medical equipment 174
- (9) Evaluation of treatment by health care provider 174
- (10) Medication management 174
- (11) Specific treatment guidelines for regional low back pain 175
- (12) Specific treatment guidelines for radicular pain, with or without regional low back pain, with no or static neurologic deficits 176
- (13) Specific treatment guidelines for cauda equina syndrome and for radicular pain, with or

without regional low back pain, with progressive neurologic deficits 176

DWD 81.07 Neckpain

(1) Diagnostic procedures for treatment of neck injury	177
(2) General treatment guidelines for neck pain	179
(3) Passive treatment modalities	180
(4) Active treatment modalities	182
(5) Therapeutic injections	182
(6) Surgery, including decompression procedures and arthrodesis	183
(7) Chronic management	183
(8) Durable medical equipment	184
(9) Evaluation of treatment by health care provider	184
(10) Medication management	184
(11) Specific treatment guidelines for regional neck pain	184
(12) Specific treatment guidelines for radicular pain, with or without regional neck pain, with no or static neurologic deficits	185
(13) Specific treatment guidelines for radicular pain, with or without regional neck pain, with progressive neurologic deficits	186
(14) Specific treatment guidelines for myelopathy	186

DWD 81.08 Thoracic Back Pain

(1) Diagnostic procedures for treatment of thoracic back injury	187
(2) General treatment guidelines for thoracic back pain	189
(3) Passive treatment modalities	190
(4) Active treatment modalities	192
(5) Therapeutic injections	192
(6) Surgery, including decompression procedures	193
(7) Chronic management	194
(8) Durable medical equipment	194
(9) Evaluation of treatment by health care provider	194
(10) Medication management	194
(11) Specific treatment guidelines for regional thoracic back pain	195
(12) Specific treatment guidelines for radicular pain	196
(13) Specific treatment guidelines for myelopathy	196

DWD 81.09 Upper Extremity Disorders

(1) Diagnostic procedures for treatment of upper extremity disorders	196
(2) General treatment guidelines for upper extremity disorders	199
(3) Passive treatment modalities	200
(4) Active treatment modalities	201
(5) Therapeutic injections	202
(6) Surgery	203
(7) Chronic management	203
(8) Durable medical equipment	203
(9) Evaluation of treatment by health care provider	203
(10) Medication management	204
(11) Specific treatment guidelines for epicondylitis	204
(12) Specific treatment guidelines for tendonitis of forearm, wrist, and hand	205
(13) Specific treatment guidelines for nerve entrapment syndromes	205
(14) Specific treatment guidelines for muscle pain syndromes	206
(15) Specific treatment guidelines for shoulder impingement syndromes	206
(16) Specific treatment guidelines for traumatic sprains and strains of the upper extremity	206

DWD 81.10 Complex Regional Pain Syndrome Of The Upper And Lower Extremities	
(1) Scope	207
(2) Initial nonsurgical involvement	207
(3) Surgery	209
(4) Chronic management	209
DWD 81.11 Inpatient Hospitalization Guidelines	
(1) General principles	209
(2) Specific guidelines for hospital admission of patients with low back pain	210
DWD 81.12 Guidelines For Surgical Procedures	
(1) Spinal surgery	210
(2) Upper extremity surgery	211
(3) Lower extremity surgery	213
DWD 81.13 Chronic Management	
(1) Scope	214
(2) Chronic management modalities	215
DWD 81.14 Health Care Provider Advisory Committee	217
