WI Department of Health Services-Wisconsin Primary Care Programs, Clinician Loan Repayment, Scholarship Programs, & Other Resources for Provider Recruitment

<http://www.dhs.wisconsin.gov/health/primarycare/Loan&Scholarship.htm>

This new map and data table is available to show the distribution of health care providers who were increasing access to health care in shortage areas and fulfilling service obligations through the National Health Service Corps, Wisconsin Health Professional Loan Assistance Program, or J-1 visa waiver program as of January 2011. The map is available at (scroll down to middle of page):
