

Department of Workforce Development

The Workforce of Choice

GAIN CONFIDENCE... & INCREASE YOUR EARNING POTENTIAL!

Literacy and numeracy are critical components of a strong workforce.

At the Department of Workforce Development, we believe that these skills lay the foundation for successful employment and prosperity for Wisconsin residents.

We invite you to access the below resources or visit a local Job Center to learn about literacy programs in your area.

<http://dwd.wisconsin.gov/readtolead>

Governor Walker's Read to Lead initiative focuses on improving the literacy of students currently in elementary school and promoting the foundation of literacy for all Wisconsinites.

You can learn more about common literacy programs in Wisconsin through a summary of resources DWD has compiled via our web site.
