ARTICULATION IN WISCONSIN

DON’T BE LEFT BEHIND!
HOW CAN WE MAKE THIS HAPPEN?...

Steps to Articulation

Step 1  Contact your local Career Prep Coordinator at your Connected Technical College

Step 2  Let them know you are looking to create an “Advanced Standing Agreement”

Step 3  Choose the course or curricular area

Step 4  Set up the formal agreement with the Career Prep Coordinator

Step 5  Participate in the mentor training

Step 6  Remind Students to use their High School Transcript to Activate their Credit.
HOW CAN PI 26.04(6) HELP?

“The board shall indicate on a pupil's transcript the name of the course; the high school credits earned and whether those credits were earned through advanced standing, transcripted credit, or the advanced placement program; and the participating postsecondary institution, when appropriate”
CREDIT FOR PRIOR LEARNING

Most post-secondary institutions have a policy which allows all “prior learning” to be reviewed in order to determine if credit can be awarded.

In the Technical College System Policy #323 allow students to gain advanced standing for the work they have done.
