ASSET Changes Implemented

The following changes to ASSET were implemented on March 26, 2019:

AARP Participant Indicator

An indicator has been added to Manage Customer on the Demographics tab to identify participants in the AARP program:

The screenshot shows the 'ASSET - Customer Details for Test Record (16327)' form. The 'Demographics' tab is selected. The form includes fields for 'Ethnicity Hispanic or Latino', 'Race - Check at least one', 'Limited English language proficiency', 'AARP Participant', 'Individual with a disability', and 'Correctional Facility Inmate'. The 'AARP Participant' field is highlighted with a red box. The 'Individual with a disability' dropdown is set to 'Unknown/undisclosed'.

Hire Heroes Indicator

An indicator has been added to Manage Customer on the Military Service tab to identify participants in the Hire Heroes program:

The screenshot shows the 'Military Service' tab in the 'Manage Customer' interface. The 'Military Service Information' section includes the following fields:

- Military Service:** Radio buttons for Yes (selected) and No.
- Transitional Service Member:** Radio buttons for Yes and No (selected).
- Summit Location:** A dropdown menu.
- TAP Workshop in 3 Prior Years:** Radio buttons for Yes, No (selected), and No Response.
- Veteran status:** A dropdown menu showing 'Yes, Eligible Veteran'.
- Active Duty Begin Date:** A date field showing '09/01/1980' with a '[mm/dd/yyyy]' placeholder.
- Active Duty End Date:** A date field showing '08/31/2018' with a '[mm/dd/yyyy]' placeholder.
- Campaign Veteran:** Radio buttons for Yes (selected) and No.
- VRAP Participant:** Radio buttons for Yes and No (selected).
- Hire Heroes Participant:** A checkbox, which is highlighted with a red box.
- DVA Veteran Status:** A field with an information icon, a 'Verify With DVA' button, and the text 'Verified Veteran'.

This will only appear for those staff with ASSET special access to Hire Heroes. (Access can be requested via DETS-10_E form.)

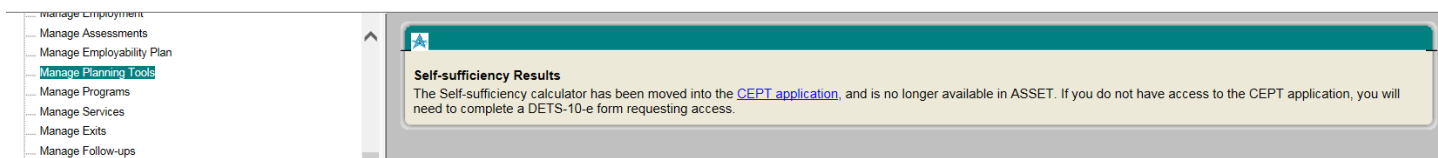

By clicking the **Verify With DVA** button, First name, Last Name and Date of Birth is sent to DVA for matching Veteran status, a status of **Verified Veteran** or **Not Verified** will be returned:

This screenshot shows a close-up of the 'Hire Heroes Participant' section. It includes the 'Hire Heroes Participant' checkbox, the 'DVA Veteran Status' field with an information icon, and the 'Verify With DVA' button. A tooltip is displayed over the button, stating: 'Send this customer's First Name, Last Name and Date of Birth to the Department of Veterans Affairs for verification of veteran status. The response from DVA will be displayed here, but not stored on the customer record.' Below this, the text 'Changing the reported service are considered eligible. Please' is visible. At the bottom, the 'Service-Connected Disability' field is shown with a dropdown menu set to '- Select status -'.

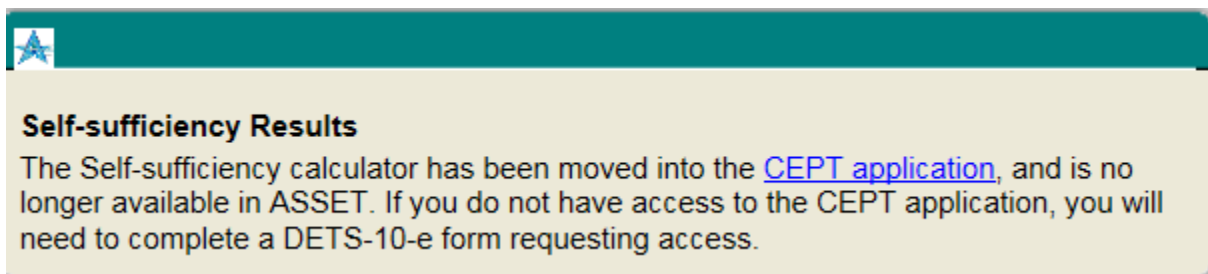

This screenshot shows the 'Hire Heroes Participant' section after a verification attempt. The 'Hire Heroes Participant' checkbox is still present. The 'DVA Veteran Status' field now shows 'Not Verified' next to the 'Verify With DVA' button.

ASSET Self-Sufficiency Tool Removed

The Self-Sufficiency tool has been removed from **Manage Planning Tools**:

A link is provided to CEPT, with instructions on how to get CEPT access if needed:

RESEA Fixes

- Disallow subsequent RESEA sessions to be created if a session during that time already exists for that RESEA staff.
- Subsequent Roster Report no longer shows initial session data from previous RES period.
- Resolution to issue where participant does not attend a session, then does attend a different session on the same day.
