March 19, 2020

ASSET Changes Implemented

The following changes to ASSET were implemented on **March 19, 2020**.
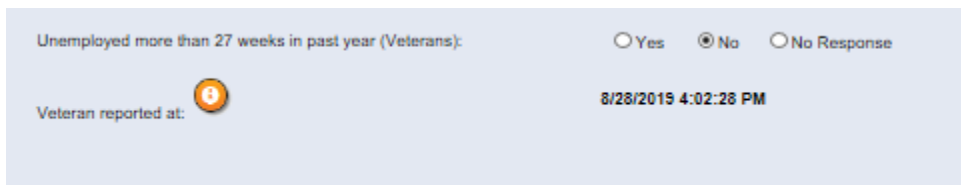

Changes to ASSET Menu Tree
- Removed the obsolete 'Manage Planning Tools' menu item
- The 'ASSET System Manual' link now navigates directly

Fixed validations on some date fields

Some date fields were allowing incorrect/invalid dates that caused errors in our federal reporting. These have been corrected.
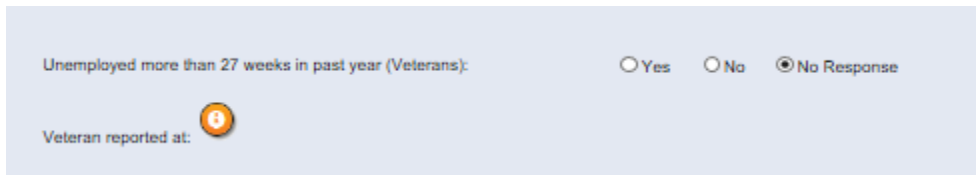

Staff can correct 'Unemployed more than 27 weeks in past year' field to 'No Response'

On Manage Customer – Military Tab:

Changed label on Manage Jobseeker page

Text changed from "Completed" to "Shared" for clarity:

Career Expo/Job Fair Survey

Career Expo/Job Fair Survey: No Survey Found

Last Job Fair Screening Service: No Job Fair Screening Service

Completed Re-employment Services Orientation

Shared JCW Resume

No Shared Résumés in JCW

Added 'DOL Grant Number' field to 'Reentry Employment Opportunities (Youth)' service:

DOL Grant Number contains:
 • Two alphabetic characters representing the grant program code
 • Five numeric characters
 • Two numeric characters representing the fiscal year when the grant was awarded
 • Two numeric characters identifying the type of grant awarded
 • One alphabetic character identifying the relevant agency at ETA
 • Two numeric characters identifying the state that received the grant was served under
 • Example: AA123451255A26

Completion Code:

DOL Grant Number:

Location of Training:

Comments:

Added 'ITA Established' and associated fields to 2 Training services

"Apprenticeship" and "Combined Workplace Skills Training & Related Instruction" training services. ITA Established is not a required field.   If "Yes" is chosen, the additional fields appear and are required:

Fix to allow ASSET Approvers to process Incumbent Worker Training program staff requests

Approvers can now move staff requests on to all status' instead of being stuck in Pending.

Fixed system error when adding ITA service for Title 1 Youth from 'Manage Employability Plan'

As always, please report any issues to Apps Support
