Left Side Navigation Pane

Implemented a fix to retain the left side navigation when user is returning to form using the button after viewing an Event History.

(Customer → Event History → Return to Form)

Veteran's Changes

- Fixed existing logic to also consider documents that were uploaded using our new Document Management functionality when determining eligibility for State non-competitive hiring.
(Customer→Military Service tab)

Service-Connected Disability:

Disabled Veteran:

Wounded, ill, or injured, and receiving treatment in a military facility or a warrior transition unit? ☐ Yes ☒ No

Eligible for State non-competitive hiring:

Spouse of an Active Duty Service Member: ☐ Yes ☒ No ☐ No Response

Opt Out of Military Icons:

- Added fields to capture referral type, either Referral for Employment, Rapid Access or LMI Information, and date of referral for veterans who were referred by Chapter 31. Required if Chapter 31 Participant is 'Yes'.
(Programs → Title 3 Program → Title 3 tab → Veteran Served by DVOP checked)

* Chapter 31 Participant: ☒ Yes ☐ No ☐ No Response

* Referral Type:

Referral for Employment
Rapid Access
LMI Information

* Referral Date:

- Added 'VA Claim Pending' as a new choice in the Service-Connected Disability (SCD) dropdown, both in JCW Registration and ASSET, and added to Veteran eligibility logic to default Veteran Status to 'Yes, Eligible Veteran' so that they can be served by DVOPs.
(Customer → Military Service tab)

Changing the reported service-connected disability rating may affect how this customer is reported federally and may affect the services for which they are considered eligible. Please only change this once you have confirmed this is the current VA disability rating.
