# ASSET Technical Bulletin

ASSET Changes – Will be deployed on February 15, 2024

The Transfer Case Load tool
- The list of programs includes non-WIOA programs as well as separates JVSG from Title 3.
- The Support to Communities program will transfer correctly now.

TAA Staff Alert WDA defaults
- TAA Staff accessing their ASSET Alerts will have different WDA defaults based on security roles:
  - Alerts for TAA Financials Reviewers will now default to all WDAs.
  - Alerts for TAA Creators and TAA Invoice Processors have not changed and continue to default to the WDA of the user.

Other improvements
- Validations received when saving the Customer Details screen for customers in the Apprenticeship Pipeline program with a Pre-Apprenticeship Pipeline service have been resolved.
- WAI program exit dates will treat service cancellations and programs with no services appropriately.
