

ASSET Technical Bulletin

ASSET Changes – Will be deployed on March 12, 2024

Dislocated Worker program changes

- The Dislocated Worker program now has an option to allow for the enrollment of a QUEST participant under the age of 18. Selecting this option will remove the requirement to complete fields normally required:

The screenshot shows a web form with tabs: General Program Summary, Title 1, Adult, and Dislocated Worker. The 'Dislocated Worker' tab is active. Below the tabs, it says 'Title 1 Dislocated Worker Program Information:'. There are two checkboxes: 'Reportable Individual Only (Uncheck box to become a participant)' and 'QUEST Participant'. The 'QUEST Participant' checkbox is highlighted with a green box. Below this, there is a field for 'Dislocated Begin Date:' with the value '10/05/2023' and a placeholder '[mm/dd/yyyy]'. To the right of this field is an orange button labeled 'Set As Today'.

- The "Date Attended" field will not allow the entry of a future date:

The screenshot shows a web form with the following fields: 'Qualifying Employer (Name):' with a text input field containing 'name'; 'Qualifying Dislocation Date:' with a date input field containing '02/02/2022' and a placeholder '[mm/dd/yyyy]'; 'Rapid Response Participation:' with three radio buttons: 'Yes' (selected), 'No', and 'No Response'; 'Date Attended:' with a date input field and a placeholder '[mm/dd/yyyy]'. The 'Date Attended' field is highlighted with a green box. Below these fields is a 'Dislocation Event ID:' field and an orange button labeled 'Select Dislocation Event'.

Service changes

- The "Referral: Referral to Department of Veterans Affairs (VA) Services" service will check that the user is a veteran or an eligible spouse when saving the service:

The screenshot shows a web form with the following fields: 'Program Name:' with the value 'Title 3'; 'Service Information' section with 'Service Name:' (Referral), 'Service Category:' (Basic Career - Self / Informational), and 'Participation Causing:' (No). A red error message is displayed at the top: 'This Referral is for Veterans and Eligible Spouses only. Verify eligibility on the Military Service Tab in Customer Details.'

- The "Waiver Reason Code" field on the TAA Training Waiver Review service will now display to you the option that you selected when saving the service:

The screenshot shows a web form with the following fields: 'Completion Code:' with a dropdown menu showing 'Completed This Service'; 'Waiver Reason Code:' with a dropdown menu showing 'Enrollment Unavailable'.

Other

- The Case Load report will now work for JVSG and STC programs.
