

ASSET Technical Bulletin

ASSET Changes – Will be deployed on July 26, 2024

General improvements

- Additional checks have been added to Case Team Assignment to help prevent duplicate case assignments.

TAA service improvements

- The Training Benchmark Review and Training Waiver Review services have a new look to compare the Due Dates more easily to the Completion Dates.

Training Benchmark Review

Due Date	Completion Date
1/8/2024	
11/9/2023	11/9/2023
9/13/2023	9/10/2023
7/18/2023	7/15/2023

Completion Date [mm/dd/yyyy] Set As Today Delete Last Saved Review Date

- Additionally, staff will now be allowed to enter late Completion Dates.

Due Date	Completion Date
3/8/2024	
1/8/2024	1/10/2024 - (Late)
11/9/2023	11/9/2023
9/13/2023	9/10/2023
7/18/2023	7/15/2023

- If staff do enter a late Completion Date, this will not impact the next Due Date calculation.

JVSG data quality improvements

- The Event History will now track when a customer's DVOP Eligibility changes.
