To whom it may concern:

My name is Athena Korth, I am the Director of this assisted living facility. For the last several years I have been working as a contractor for New Plan New Life Services L.L.C. as an instructor for the State of Wisconsin for CBRF certification program - Medication Administration and Fire safety, teaching at her location, New Plan New life Services L.L.C. Please allow me this opportunity to express that I support the training programs available to the community. She has great opportunities with the organization and would be greatly missed. There is a high demand for these programs she offers. Feel free to contact me if needed.  
Thanks

Sincerely,

Athena Korth
