Dear Department of Workforce and Development,

Our Father's Lutheran Childcare has two locations in Greenfield, WI, in Milwaukee County. Our centers are committed to being able to offer quality training to all our employees, whether they are just starting in the field, or have multiple years of experience.

With that task in mind, we respect and fully support 4C For Children who is an approved training agency by the Department of Children and Families to offer childcare training classes. The trainings they have provided for us are always taught by competent instructors, with the information being taught vitally important to our staff becoming increasingly more qualified to teach and care for our children.

Listed below are classes that we support:

- Introduction to the Child Care Profession
- Skills and Strategies for the Child Care Teacher
- Fundamental of Infant & Toddler
- Fundamentals of Family Child Care
- Sudden Infant Death Syndrome - SIDS
- Shaken Baby Syndrome
- Child Abuse & Neglect
- Strengthening Families Wisconsin Model Early Learning Standards
