To Whom It May Concern:

It is my pleasure to strongly recommend Henry Anderson from FULCRUM, Samaritan's Touch, Standard of Excellence Education & Training Center.

I am Yolanda Billingsley, an owner/manager at Alliance Adult Family Home. I have over 10 years of experience working in the home health industry and have seen many young professionals come and go. Henry Anderson is one individual I have worked with who uniquely stands out.

During our time together, Henry Anderson displayed great talents in staying on top of changing policies and regulations with the Department of Health Services and great B2B and B2C. When we first met, I was immediately impressed with Mr. Anderson, but during the time worked together, his understanding of healthcare training grew far more than that of his peers I interviewed.

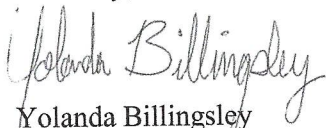

One of the best qualities Mr. Anderson has is a fast complete turnaround time on all documents and correspondence.

It's not just his technical skills that impress me, however. Henry Anderson was a joy to work with because of his amazingly positive attitude and open-mindedness. His wisdom and teaching skills were also necessary and valued not just by myself, but by his peers and students, who often relied on him to get the job done.

I am absolutely confident that Henry Anderson would be a great fit for phlebotomy training. Not only will he bring the kind of skills and experiences you're looking for in a trainer, but he will also quickly become an asset and help grow the phlebotomy community in any way he can.

If you need more information or specific examples, please do not hesitate to contact me at 414-439-7181 or email [allience6441@gmail.com](mailto:allience6441@gmail.com). As a recommendation letter likely only provides a snapshot of his talents and achievements, I would be happy to further elaborate on my time working with him.

Sincerely,

A handwritten signature in cursive script that reads "Yolanda Billingsley".
