Dear Instructor,

Congratulations! Your EMS Safety Instructor card has been processed.

You are now authorized as the following Instructor type and may teach the following programs via an authorized EMS Safety Training Center.

Name: Faith Huffman

Type: HSI Level 2

Programs approved to offer: EMS-CPR/AED, First Aid, Bloodborne, Emergency Oxygen and Childcare with Basic Life Support

Your Instructor Authorization card is now available in your Otis portal:

- Instructors can access their card by logging into Otis and clicking on the link "Click here to print card" located in the overview section of the instructor dashboard.
- Training Center Directors can access the cards for all their instructors by going to the left navigation Instructors >> Manage Instructors, then search for the instructor, and then go to actions on the right and click the link "Digital Instructor Authorization Card" icon.

Regards,
Team HSI
