This specialized Curriculum includes the additional education and training components needed to meet the state mandated requirements of pre-certification education for substance abuse counselors in the State of Wisconsin.

In addition, this customized curriculum, includes a model for integrating a **faith based and Community** program that is designed to partner substance abuse counselors operating from faith-based platforms into the community of federally operated programs.

The 260-hour curriculum is laid out to incorporate all required hours and components for each domain as follows:

Substance Abuse Assessment	45 Hours
Substance Abuse Counseling	45 Hours
Substance Abuse Case Management	50 Hours
Substance Abuse Education	45 Hours
Substance Abuse Professional Development \$ Readiness	40 Hours
Substance Abuse Boundaries and Ethics	6 Hours
Electives within the performance domains listed above	29 Hours

The Curriculum is presented in the form of Training Manuals (Binders) To Be Utilized with Instructional Training in Groups or Individual.
