

BACHELOR • CERTIFICATE • MINOR

HEALTHCARE MANAGEMENT

STEP UP IN HEALTHCARE

One of the most important things you can do when you work as a healthcare administrator is make sure the facility you manage is well taken care of. This bachelor's degree program teaches the supervisory skills you need for proper management and administration in any system of care—be it acute, community, or long-term. If you're interested in healthcare, but not necessarily direct patient care, this may be the degree for you.

PROGRAM HIGHLIGHTS

8-week courses

Acceptances occur throughout the year

Multiple start dates in the fall, spring, and summer semesters

Transfer up to 84 credits

Military friendly

CAREER OUTLOOK
