Introduction to GI Bill for Apprenticeship & OJT

How does apprenticeship or OJT relate to the GI Bill?

As a Registered Apprenticeship sponsor, your program is qualified to be "Approved for the GI Bill®". Veterans are in the driver’s seat when it comes to using their GI Bill benefits. Veterans who have existing benefits under the GI Bill, including the Post-9/11 GI Bill, who are in approved apprenticeships, may qualify for a monthly stipend in addition to wages, to help meet expenses during their apprenticeship.

Apprenticeship and OJT programs allow individuals to learn a trade or skill through structured training provided primarily on the job rather than attending traditional college. After formal training for a specified period, the individual gains job certification or journeymaster status.

**APPRENTICESHIP TRAINING** – Training given while on the job (80-90%) and in the classroom (10-20%) by a sponsor who has been registered by the WI Bureau of Apprenticeship Standards (BAS) to offer the progressive attainment of manual, mechanical or technical skills & knowledge in accordance with industry standards for an occupation that meets apprenticeable criteria. Average length of Apprenticeship training is four years.

**OJT (ON-THE-JOB TRAINING)** Training that isn't apprenticeable, but is given while on the job by an employer who agrees to retain the trainee in employment, may be considered a program of education for VA benefit purposes. Training must meet established criteria.

Apprenticeship and OJT also include a reduced starting wage that is gradually increased commensurate with skill/ability attainment during training.

Veterans in an approved program can choose to use their GI Bill educational benefit (a tax-free stipend) during the training. Veterans can find benefit information at www.gibill.va.gov.

Who is generally eligible?

The GI Bill is for any veteran with established eligibility for Chapter 30, Chapter 32 - Section 903, Chapter 33, Chapter 1606, or Chapter 1607 and any spouse or child who is eligible under Chapter 35 benefits. The benefit is generally not available to a veteran with no active duty in the past 10 years or a person on active duty. This handbook uses "Veteran" to refer to all eligible persons.
How do I become approved as GI Bill Training Establishment?

1. **Develop your training program.**
   This is all about quality training! Without a quality training program that meets very specific criteria, you will not be approved as a GI Bill Training Establishment. See page 27 for program requirements and criteria relating to both Registered Apprenticeship and non-apprenticeable On-the-Job-Training (OJT) programs. If you already offer an approved Registered Apprenticeship program, you can go right to Step 3, below.

2. **Identify your veterans.**
   An application to become a GI Bill Training Facility for a non-apprenticeable OJT will not receive initial approval unless a veteran or eligible person is actively enrolling in your training.

3. **Apply for program approval.**
   Submit a full application to your BAS ATR, which is comprised of the following (forms are available from your ATR):
   - **VA Form 22-8865** Application To Provide Job Training (see page 16)
   - **VA Form 22-8794** Designation of Certifying Official (see page 17)
   - **Sponsor’s Apprenticeship Standards**, as approved by Wisconsin BAS; or **Employer’s OJT Training Outline**, specifying skills and tasks to be taught over the program length.
   - **Enrollment packet for each veteran (not required for Registered Apprenticeship):**
     - VA Form 22-1999 (Side B) VA Enrollment Certification (see page 20)
     - Copy of the Veteran’s Certificate of Eligibility (from the veteran)
     - Copy of the signed apprentice contract or signed OJT training agreement
   - **Onsite Program Evaluation:**
     - **Registered Apprenticeship programs are pre-approved** for the requirements of the GI Bill and do not require an onsite program evaluation (38 CFR 21.4261).
     - **OJT programs must be evaluated** by a BAS ATR, who makes an onsite visit to review or provide technical assistance in development of the training outline and determine if sufficient staff resources, equipment and capacity exist to train the veteran (38 CFR 21.4262). Approval is not granted in occupations requiring a relatively short period of experience to obtain and hold employment at the market wage or where OJT is not the normal way of training personnel.

4. **Receive written approval notice** from USDVA and/or Wisconsin Bureau of Apprenticeship Standards, which establishes your GI Bill facility number.

5. **Begin enrolling vets** and marketing your training program as "Approved for the GI Bill ®".

How Do I Use the "Approved for the GI Bill®" trademark?

Upon approval, you are encouraged to include in your apprenticeship job openings that the positions are "Approved for the GI Bill®" to inform Veterans about their eligibility for benefits as an apprentice with your organization. Please also include the trademark disclaimer "GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at http://www.benefits.va.gov/gibill."

Responsibilities of the GI Bill Training Facility

Once you have been approved as a GI Bill Training Facility, you can certify the enrollment of eligible veterans in your approved training program(s). This guide will help you maintain your approval as GI Bill Training Facility and carry out these tasks:

1. Designate Certifying Official(s)
As part of the approval process, you designated one or more person(s) as the Certifying Official(s) who will be the liaison between your training facility, BAS and the VA.

- Only an authorized Certifying Official may sign, and thus certify, GI Bill paperwork to verify a veteran’s enrollment, monthly work/training hours, change in status, and any other circumstances that affect the amount or duration of GI Bill educational benefits.
- The Certifying Official must have access to the training file, including payroll records.
- The Designating Official must also be listed as a Certifying Official to sign GI Bill paperwork.
- Any changes in Certifying Official(s) must be entered on VA Form 22-8794 (page 17) and submitted to your BAS ATR for processing.

The VA’s official record of your currently approved Certifying Official(s) and training program(s) can be viewed at any time, online through WEAMS: [http://inquiry.vba.va.gov/weamspub](http://inquiry.vba.va.gov/weamspub)

2. Maintain a Quality Training Program
A GI Bill Training Facility must provide training outlined in the training agreement. This includes having adequate space, equipment, instructional material, and qualified personnel to provide satisfactory training. For apprenticeship programs, the sponsor must adhere to the established Apprenticeship Standards and the Apprentice Contract(s). For OJT, the employer must adhere to the established OJT Training Outline and OJT Agreement(s). Remember that a veteran has chosen to use GI Bill education benefits within your training program in lieu of college or other options.

The Certifying Official does not counsel on GI Bill eligibility or selection of benefits (e.g., which Chapter). If the veteran desires assistance, the VA provides eligibility assistance and a benefits comparison tool at [www.gibill.va.gov](http://www.gibill.va.gov) and phone assistance at (888) 442-4551.
3. Enroll Eligible Veteran in Your Training Program
Your BAS ATR can provide guidance to you and the veterans in this process.

A. ELIGIBILITY - Before a veteran can be enrolled in your approved training program, the veteran must provide you with a Certificate of Eligibility (COE) from VA.
   - If the veteran has applied for benefits, the veteran provides you a copy of the COE for the employee file. Then, proceed to 3.B., below.
   - If the veteran has not applied for benefits, direct the veteran to apply online using VA’s VONAPP website www.vabenefits.vba.va.gov to secure a COE.
     o Get a copy of the COE from the veteran. Proceed to 3.B., below.
       ▪ Use of VONAPP online application by the veteran is strongly encouraged.
     o If the veteran is not able to use VONAPP, assistance is available for the veteran through the County Veteran's Service Office (CVSO) or a manual application form can be downloaded at www.va.gov/vaforms or requested from the BAS ATR. See page 13 for instructions on the manual process a veteran might use to apply to VA.
       ▪ Retain a copy of the application form in the employee folder until the veteran provides the COE from the VA.

B. ENROLLMENT - When you have obtained the veteran’s COE you can proceed with enrollment. The Certifying Official will:
   - Ensure that the veteran has received a copy of the Apprentice Contract or OJT Agreement.
   - Complete VA Form 22-1999 Enrollment Certification, which can be obtained from your BAS ATR. This is a controlled form and should not be given to the veteran. See page 20 for instructions and a sample form. Note that Side A is not completed for Apprenticeship or OJT. This is a printable or fillable PDF form for ease of use.
   - The 22-1999 should include any monthly hours that have already been worked by the veteran, per the form instructions, in item 11. Remarks. If hours are included, have the veteran sign or initial the hours, as entered.
   - Fax or mail your completed VA Form 22-1999 and a copy of the COE to your BAS ATR for processing, using the contact information on the inside cover of this guide. Do not send this form directly to the VA. Your BAS ATR will review the enrollment submission and work with you, if needed, to correct or gather necessary information. The ATR will then bundle the form with a copy of the Apprentice Contract or OJT Agreement, submitting it to VA Regional Processing Office.
   - You may submit multiple 22-1999 enrollment forms, with COE, to your ATR at one time.
   - Do not enroll a veteran who has not provided a Certificate of Eligibility.
   - Keep a copy of all training forms and correspondence in the employee file.
C. **APPROVAL** - When the VA approves the enrollment, the veteran will receive written confirmation from VA, along with a VA Form 22-6553d Monthly Hours Worked (see page 22) used by the Certifying Official to report training hours to VA so that a benefit check can be issued to the veteran. Note that, if the submitted enrollment form 22-1999 reported hours already worked, the approval will likely also include the first benefit check - for those hours.

### 4. Certify Monthly Training Hours

To receive a full monthly payment, the veteran must work **at least 116 hours in the month**. The veteran's monthly benefit, which differs from veteran to veteran based on eligibility, will be reduced proportionately if the veteran works less than 116 hours a month. GI Bill benefits are based on the monthly hours submitted by the Certifying Official, up to the maximum number of approved training hours on the Apprentice Contract or Training Agreement, less any credit granted. Thus, monthly hours must be verified by the Certifying Official as being hours worked in accordance with successful performance of the training agreement.

1. **Certify Monthly Hours on Form 22-6553d-1**

   Usually once a month, VA sends veteran the Monthly Certification of Hours (VA Form 22-6553d).
   - Must include veteran's current name and address, must be completed on or after last work day of month, signed by veteran, then certified & signed & faxed to VA by Certifying Official.
   - Vacation and other paid leave hours do not count as work hours and must not be included.
   - Paid related instruction hours are counted as work hours.
   - Unpaid related instruction hours are not counted as work hours.
   - **Once signed by the Certifying Official, the form becomes a controlled form that must not be given back to the veteran.** The Certifying Official, not the veteran, faxes to VA.

   **If the trainee does not receive a new VA Form 22-6553d-1** from the VA by the end of the month, the veteran should request that the certifying official submit verification of hours worked on company letterhead. See page 23 for a sample letter. Both the certifying official and the veteran must sign the letter verifying number of hours worked. The facility’s VA Facility Code must be shown on the letter, along with the veteran’s social security number.

   **If the trainee does not have any training hours in a month**, do not submit the 22-6553d.

2. **Fax Certified Monthly Hours to VA**

   The Certifying Official faxes the completed form to the St. Louis Regional Processing Office (see inside cover of this guide), where it will be processed and the veteran's monthly check will be sent or directly deposited to the veteran's bank account.

   A copy of the 22-6553d, along with all GI Bill paperwork, must be maintained in your file.
5. Report Changes in Training Program
If there are changes to the training program, the Certifying Official must notify the BAS ATR who will determine if the program continues to meet approval criteria.

Change in Certifying Official
Submit VA Form 22-8794 to your ATR. Notify your ATR of changes in Certifying Official using VA Form 22-8794 to report changes in personnel, contacts or company address. The 22-8794 should always list all authorized Certifying Officials, even those already approved. In addition, the Designating Official must also be listed as a Certifying Official in order to sign GI Bill paperwork.

Change in Wage Schedule, Journeyworker Rate, or Training Content
Notify your ATR in writing (mail, fax or email) of changes in the training program, including changes in stated wage schedule, journeyworker rate, or training structure. Notify your ATR if you wish to add new occupations within your training program, or if you no longer train in one or more approved occupations. The ATR will work closely with you and/or your training coordinator on reporting each of these training program changes to the ELR in St. Paul, MN.

Call To Active Duty
Notify your ATR immediately. For apprenticeship, the contract will remain active, but temporarily unassigned, during active duty. Upon return to the training, the end date will be extended. Submit VA Form 22-1999b to the VA RPO. When the training of a GI Bill enrollee is interrupted due to call to active duty, the Certifying Official ensures educational benefits are properly stopped.

- Certifying Official completes VA form 22-1999b Notice of Change in Status, retains copy in employee file, then faxes or mails completed form to the VA RPO in St. Louis, MO.

Return From Active Duty
Notify your ATR immediately. For apprenticeship, the contract will be re-activated. Upon return to training the end date of the contract or agreement will be extended based on active duty period. Submit VA Form 22-1999 to your ATR. When active duty tour is completed and veteran returns to the same employment in an unfinished training program with you, GI Bill enrollment can resume.

- Upon notice from your ATR that the contract or agreement is again in active status, the Certifying Official completes VA enrollment form 22-1999, retains a copy, then faxes or mails to the ATR. If the 22-1999 includes hours worked, have the Vet sign or initial it.
  - Dates & Credit: Box 7: Enter the number of contract training hours the veteran has already completed for this training contract or agreement.
  - Box 10A start date is when the veteran physically returned to work in the training agreement (OJT) and is the official reassignment date (apprenticeship).
  - Box 10A end date is when the veteran is now expected to end training. Projected on term (e.g., 8,000 hrs) less hours of credit X a standard year (e.g., 2080 hours).
- The ATR will perform a quality review, then fax the enrollment to VA RPO in St. Louis.
Temporary Unassignment of an Apprentice Contract (applies only to apprenticeship)

Notify your ATR immediately. When apprenticeship is interrupted due to layoff or other reasons leading to a temporary unassignment, the training relationship remains active. The Certifying Official notifies ATR immediately with details to place contract in unassigned status.

For unassignment of 4 months or less: No forms are submitted to VA, except the 22-6553d for the last month in which veteran had training work hours. When work hours resume, the veteran may not have a 22-6553d from VA, in which case Certifying Official submits monthly hours to VA RPO in St. Louis on letterhead to restart benefits. The veteran may be notified that a new enrollment is required, in which case Certifying Official completes VA form 22-1999 Enrollment Certification, retains copy in employee file, then faxes or mails completed form to the ATR.

- Dates & Credit: Box 7: Enter the number of contract training hours the veteran has already completed for this training contract or agreement.
- Box 10A start date is the date on which the veteran physically returned to work within the training contract or agreement. For an apprentice, this is the date provided in the official apprentice Reassignment Notice from your ATR.
- Box 10A end date is when the veteran is expected to complete the training program. It is projected based on term (e.g., 8,000 hours) less hours of credit multiplied by a standard year (e.g., 2080 hours). Your ATR can assist you with this determination.

For unassignment exceeding 4 months: Certifying Official completes VA form 22-1999b Notice of Change in Status, retains copy in employee file, then faxes or mails completed form to the VA RPO in St. Louis, MO. The 22-1999b should be submitted at the outset, if the duration is known. Upon reassignment, the Certifying Official or training coordinator notifies the ATR, then completes VA form 22-1999 Enrollment Certification, retains a copy, then faxes/mails form to the ATR.

Completion or Cancellation of Contract or Agreement

When a training agreement or contract has been completed or cancelled, the Certifying Official must ensure that educational benefits are properly stopped:

- The local ATR must be notified immediately with the date of completion or request for cancellation and any related information regarding the contract fulfillment.
- The local ATR will take contract action, issuing official completion/cancellation documents.
  - For apprenticeship (not OJT agreements), the BAS cancellation process follows a legal route that typically includes a 20-day objection period and appeal rights.
- Upon receiving a copy of the Notice of Completion or Cancellation from the ATR, the sponsor will complete VA form 22-1999b Notice of Change in Status. This form is signed by the certifying official and forwarded directly to the VA by the sponsor, using the termination date stated in the official notice. A copy must be kept in the employee's file, with original faxed or mailed to the VA RPO.
**Veteran Benefits are Exhausted, Ended or Changed**

The Veteran, not the Certifying Official or the ATR, is responsible for the proper selection and application for benefits. There may be times during an active training enrollment when those benefits change due to eligibility issues or the veteran’s choice. Those changes may require a new enrollment or other paperwork to be submitted. In nearly all cases, the VA instructs the veteran which forms to submit or process. Your role, as Certifying Official, is to respond to guidance from the VA (directly or through the veteran's documents) or your ATR. You are not expected to be an expert in VA benefits, forms or procedures.

**Veteran Has Questions on Benefits or Process**

Refer the veteran to the VA experts. Do not answer questions that are the purview of VA.

**Benefits**: 1-888-442-4551 or GI Bill comparison tool: 
http://www.benefits.va.gov/gibill/comparison_tool.asp

**Process or Forms**: Ask to see any instructional written notices the veteran has received. If that doesn’t describe the needed process or form, contact your ATR for guidance.

**No Response After VONAPP application**: Suggest vet logon to confirm submission. It is common for Vet to complete the online application and fail to click the "submit" button. An application that is initiated, but not submitted, will sit in unfinished status for six months.

### 6. Maintain Proper Training Records

The GI Bill Training Facility's Certifying Official must maintain records that allow VA and BAS to confirm that training provided meets GI Bill requirements and that benefits were properly paid:

- A copy of the training file, including Apprentice Contract or OJT Agreement, and
- Hours worked (not including vacation or sick) each month and official wage records, and
- Work and training evaluations, including grades from related instruction, and
- A copy of all GI Bill-related forms and letters, including the VA Certificate of Eligibility.
- All veteran records **must be retained for at least three years** following the veteran's completion or cancellation of the training program.

The Certifying Official will ensure that any forms sent to the BAS office or the VA will contain the veteran's claim number/SSN, which is the control number used by the VA to pay benefits.
7. Participate in Compliance Visits

BAS, as the State Approving Agency (SAA), and/or the U.S. Department of Veterans Affairs (VA) will periodically visit the sponsor to monitor the records of the apprentices/trainees to ensure that GI Bill benefits are being properly paid. This visit generally occurs annually and is designed to provide technical assistance and ensure that GI Bill benefits paid were paid properly.

Required records are subject to onsite inspection by authorized representatives of the Dept of Veteran Affairs (VA) and the BAS. A standardized form is used to guide the compliance visit and is provided to the Training Facility. The following program components will be reviewed:

- Training progress, wages and hours worked are being maintained for the veteran. Official payroll records or check stubs to reflect the actual wage paid must be available for review.
- The employee file contains a current training contract or agreement for the veteran.
- Related instruction being provided to the veteran is documented by progress reports.
- Records are on file to support any credit for prior training or experience awarded, and documentation is available to confirm the VA was properly notified of the credit.
- Copies of VA forms and correspondence have been properly submitted and are on file.

What kinds of records will be reviewed?

- Timecards / Payroll Records / Time & Leave Records / Employer Records (construction) so that the person conducting the compliance survey can verify:
  - That the begin date certified was the actual first date of training.
  - That the hours certified to VA each month match the payroll or time/leave records of the employee’s hours worked. Hours certified must not include vacation, medical leave, layoffs or other paid leave. Hours certified can include paid related instruction hours.
  - That wages paid during the training meet the contract/agreement requirements.
- Training Progress Records so that the person conducting the survey can verify:
  - Actual progress toward the training objective, which is journeyworker status.
  - That a progress record is maintained and is current.
  - That the individual is being properly training as specified in the contract, in both training areas: on-the-job and related instruction.
- Employment application and/or apprenticeship application
- Proof of Related Instruction participation
- Apprentice Contract or OJT Agreement
- Copies of all VA forms, including 1999 Enrollment and 22-6553d Monthly Certifications.
Using the Certifying Official Hotline

If you have an urgent issue relating to your role as a Certifying Official, you may use a hotline that has been established for the Certifying Official. Do not provide hotline number to the veteran.

Certifying Official Hotline: 855-225-1159. Identify yourself as a Certifying Official, including your facility name and assigned facility number. Do not provide this hotline number to veterans.

Using the online VA Inquiry System

The Education Service’s FAQs web site provides a safe, secure and fast way to correspond with the VA Regional Processing Offices. The site uses 128 bit data encryption to insure that personal questions and their answers will always remain confidential. There are two different types of accounts, one for Certifying Officials and another for the general public, which a vet may use. The following steps explain a straightforward and simple registration process.

1. Navigate to www.gibill.va.gov, click on Question and Answers on the left side of the page, at the top you will see a tab, “Ask a Question”.
2. Complete the page, providing the following information:
   - E-mail address -- Self explanatory
   - Subject – “School Certifying Official” – This is important to include and is used to route your inquiry to the proper person who can set-up your account.
   - Question -- Name of your approved facility and your assigned VA Facility Code.
   - Product – Select “GI Bill” from the drop-down menu.
   - Category – Select “VA-ONCE School Officials ONLY” from drop-down menu.

Entering accurate information here is important, because it is used to establish your account as a school official, and can establish priority routing for your inquiry within the system.

Note: If you already have an account set-up, you are done at this point. Please access your account information to confirm that it is current.

3. Next, complete the final form, which has several items requiring your entry.
   - Password: Create a strong password- something you can remember but not too easy.
   - Verify Password: Type your password again to make sure you have it right.
   - First Name: Your first name
   - Last Name: Your last name
   - State: The State where your approval is located. This is important because your questions are routed initially to the appropriate RPO based on this field.
   - Soc Sec / Claim Number: Leave this field blank. Alternatively, you can enter your school’s facility code.
   - Suffix: Leave this field blank.
   - Phone Number: Provide a phone number where you can be reached.
4. Finally, Click on the “Create Account” button and you are done.
Responsibilities of the Veteran

1. Apply for Benefits

Items Needed to Begin

Before beginning the application, the veteran should prepare by taking these actions:

- **Gather banking information** (name of bank, routing/transit #, account #).
- **Obtain copy of the DD-214 Report of Separation.** The DD-214 is generally issued when a service member performs active duty or at least 90 consecutive days of active duty training. It contains information to verify military service regarding eligibility for educational benefits. To obtain a copy, the veteran may use the eVetRecs Request System: [http://www.archives.gov/veterans/military-service-records/](http://www.archives.gov/veterans/military-service-records/)
- **Explore GI Bill benefit chapters** to determine appropriate chapter.
  - Your County Veterans Service Officer (See page 13 for URL) can assist you.

Online Application Process: (Instructions are for veteran. CVSO is a helpful resource.)

**Step 1.** Get hired into a Registered Apprenticeship or OJT training program.

**Step 2.** Apply for GI Bill benefits online using VONAPP at [http://vabenefits.vba.va.gov/](http://vabenefits.vba.va.gov/)
- Use 22-1990 (Application) unless transferring, then use 22-1995 (Change of Training).
- Type of Training: check "Apprenticeship or On-the-Job".
- Name & Address of school: Identify your (Certifying Official) Apprenticeship JAC or employer. **Do not enter a Technical College** as the school for apprenticeship or OJT.
- Career Objective: E.g., Journeyman Plumber (apprenticeship) or Tattoo Artist (OJT)
- Submit DD-214 or NOBE via VONAPP, whenever possible, to expedite benefits.
- Print a copy of the submitted application, which will print your confirmation number.
- Confirm that you clicked the "submit" button at the bottom of the VONAPP application page! This is a common error that delays benefits. An application that is initiated, but not submitted, will sit in unfinished status for six months.

**Step 3.** Work & train normally while awaiting your Certificate of Eligibility (COE) from VA:
- Give your Certifying Official a copy of the Certificate of Eligibility. (Required)
- Give your Certifying Official a copy of the DD-214 or NOBE. (Can proceed without.)

**Step 4.** Your Certifying Official will certify your training enrollment using 22-1999 Side B and submit it to your ATR, along with COE (required) and DD-214/NOBE (if available).

**Step 5.** ATR will review for quality, attach contract/agreement documents, scan packet to retain a digital copy and fax the application packet to the VA at the St. Louis RPO.

**Use the online VONAPP. It will expedite your benefit processing!**
Manual Application Process: (Instructions are for veteran. CVSO is a helpful resource.)

CAUTION: Use VONAPP instead of manual process to expedite benefit processing!

If you are not able to use VONAPP, paper forms can be submitted and are available to you from the ATR, CVSO or http://www.benefits.va.gov/gibill/handouts_forms.asp

- Veterans who previously applied for the GI Bill use VA Form 22-1995.
  - Survivor/Dependents who previously applied use VA Form 22-5495.
- Veterans who have never applied for the GI Bill use VA Form 22-1990.
  - Survivor/Dependents who have never applied use VA Form 22-5490

The Veteran completes the form using the data in Step 2, then mails form and DD-214 or NOBE, to: VA Regional Office, PO Box 66830, St. Louis, MO 63166-6830. Vet is now at Step 3, above.

2. Complete Monthly Certification of Hours 22-6553d

The veteran is responsible for presenting the monthly form 22-6553d to the Certifying Official or requesting submission of monthly hours on letterhead, if no form was sent by the VA to the veteran. Instructions for entry of training hours can be found on page 6.

3. Manage GI Bill Eligibility and Benefits Selection

The veteran is responsible for using the resources and tools provided by the VA to make informed GI Bill benefits decisions at the onset and during enrollment in the training program. In some cases, it is to the veteran's advantage to change benefits during the enrollment. These are decisions that must be made carefully by the veteran with guidance from experts at the VA.

4. Use GI Bill Tools & Resources

FAQs - Frequently Asked Questions

1. **Are there training programs which may not be approved?** YES. Part-time employment of less than 30 hours per week and OJT programs where commissions are customarily paid to either the veteran of the skilled worker may not be approved.

2. **Is a sponsor obligated to keep a veteran in a training program?** NO. A veteran may be terminated from the program when progress is unsatisfactory. However, cancellation of the Apprentice Contract must be performed by BAS under current regulation and rule.

3. **Can a trainee receive education benefits for job and school training at the same time?** NO. Education benefits can be paid for only one type of training at a time.

4. **Are VA education benefits affected by the trainee’s starting wage?** NO. The benefits start at the rate appropriate for the first six months of training for each GI Bill Chapter.

5. **Does the sponsor have to increase the veteran’s wages at the same intervals as the GI Bill payments decrease?** NO. Although the sponsor is expected to increase the veteran’s wages at the same rate as he does for his other trainees.

6. **During a compliance visit, can the sponsor make records available electronically instead of hard copy?** Yes, so long as the compliance officer is able to fully review, evaluate and confirm the necessary information via the electronic access provided.

SECTION IV - CONDITIONS TO BE MET

I UNDERSTAND AND AGREE THAT THE FOLLOWING CONDITIONS MUST BE MET IF THIS TRAINING PROGRAM IS APPROVED FOR VA TRAINING BENEFITS:

A. Close supervision by qualified journeymen will be provided throughout the training program.

B. Records will be maintained for each trainee. At a minimum, the records will include the following: job assignments, promotions, demotions, lay-off terminations, rates of pay, progress in training as outlined in the work processes, hours of training given monthly in each process and overall progress evaluations made at least each 3 months.

C. Credit will be given for previous training and experience and the length of the training program will be reduced proportionately. Trainees who are granted credit for previous training and experience will be placed into the appropriate step of the wage progression scale.

D. If required for approval of a training program, the trainee will be advanced to the full journeyworker wage immediately upon completion of the training program.

E. An Enrollment Certification will not be submitted for a veteran or eligible person who is already qualified for the position because of prior training or experience.

F. A copy of an approved training agreement will be provided to the trainee and to the Department of Veterans Affairs (VA).

G. Immediately notify VA of any wage increase (or decrease) paid any trainee not in accordance with his or her training agreement.

H. The wages paid to trainees under this VA program will not be less than wages paid to trainees who are not eligible for VA benefits. The beginning wage will be at least 50% of the wage for a fully trained employee.

I. Unless the training establishment is operated by a Federal, State or local government, periodic wage increases will be granted and by the last full month of training the wage will be at least 85% of the wage for a fully trained employee.

J. There is a reasonable certainty that the job for which training is provided will be available to the trainee after training has been

| ITEM 8A AND 8B | Sign and date the form. Then, give the form to your employer or an authorized official of your training establishment for verification. |

**INSTRUCTIONS TO EMPLOYER**

| NOTE | If an OJT trainee is receiving the journeyman wage, the trainee is no longer entitled to VA educational benefits. You must immediately notify VA. An apprenticeship trainee is normally entitled to receive educational benefits after reaching the journeyman wage. However, there are some exceptions, such as training on a Davis-Bacon job, or a job in a geographic location that has a different wage scale. If you have any questions, call VA toll-free at 1-888-GI-BILL (1-888-442-4551). If you use the Telecommunications Device for the Deaf (TDD), the Federal Relay number is 711. |

Please verify the number of hours worked and other information reported by the trainee in Items 1 through 6 with the payroll and training records. Please report any differences in Items 6 and 7. Also use Item 7 if the trainee’s conduct or progress is unsatisfactory or if the trainee has attained the complete job skills for the job (a “journeyman” knowledge and skills). |

| ITEMS 9A AND 9B | Sign and date the form. Then, return it to the VA office shown above. |

**PAYEE:** When using blank form, always enter “OO” as Payee, unless trainee is not the veteran (e.g., dependent).

VA Compliance Survey Notice (Sample)

A compliance review will be conducted onsite or remotely on a schedule of approximately once every three years. The review will be conducted by your ATR or by a representative from the US Department of Veterans Affairs. You will be notified by letter, approximately two prior to the review. A follow-up call will allow for scheduling adjustments.

July 30, 2013

JOE JONES, PRESIDENT
ACME INC.
123 ANYWHERE LANE
ACITY, WI  55555

Dear Joe Jones, President:

Thank you for scheduling time to meet with me on August 15, 2013 at 10:00 AM so that I can conduct a GI Bill Educational Benefits Compliance Review of training records relating to your registered veteran apprentice, Mary Main. This review will cover the time period of certified GI Bill training enrollment from July 29, 2010 through October 11, 2012.

I anticipate this compliance review will take 2 to 3 hours.

As we discussed, certain records will need to be available to me at the time of the review, along with sufficient space to review the records comfortably. These records include:

1. Training progress records for both on-the-job training and required related instruction
2. Verification of Mary Main's employment termination date
3. Any laid off dates and re-start dates during this apprenticeship
4. The Monthly Certification forms submitted to the VA reporting the monthly work hours
5. Verification that the monthly forms do not include vacation time, sick time, military training, jury duty or other non-paid hours (paid related instruction may be included as work hours)
6. Actual wages paid
7. A copy of the most recent (the last) pay record provided to the VA

If you have any questions, please contact me by telephone at (608) 235-5705.

Sincerely,

ATR

VA FORM 22-1934, JUL 2013
Apprenticeship & OJT Program Requirements

Wisconsin Registered Apprenticeship

No apprentice contract can be approved for apprenticeship unless the occupation involved has been approved by the BAS as an apprenticeable occupation.

In order for a new occupation to be approved by the BAS as apprenticeable, the occupation
• must involve the progressive attainment of manual, mechanical or technical skills and knowledge which meets industry standard for that occupation
• must require at least 2,000 hours of on-the-job learning to attain;
• must customarily be learned in a practical way through a structured, systematic program of on-the-job supervised learning;
• must require that there be related instruction to supplement the on-the-job learning; and
• must be clearly identified and recognized throughout an industry.

BAS will recognize and approve apprenticeship programs registered with the U.S. Department of Labor or a recognized State Apprenticeship Agency, which are in conformance with Wisconsin Rules and Regulations. In order to train apprentices in Wisconsin, all programs must have written Standards of Apprenticeship, approved by BAS. Standards are defined as an organized, written plan representing the terms and conditions of employment, training, and supervision of one or more apprentices. The purpose of standards is to insure that apprentices receive uniform training, in so far as possible, and that graduating apprentices develop comparable skills.

Wisconsin GI Bill OJT (non-apprenticeable)

In Wisconsin, a work-based training program that uses the apprenticeship structure must be registered with the state as an apprenticeship program, per statute. Therefore, any OJT in Wisconsin will be in a non-apprenticeable occupation or structure.

1. The job is one in which progression and appointment to the next higher classification are based upon skills learned through organized training on the job, and not on length of service and normal turn-over.

2. The training content will qualify the veteran for appointment to the job for which s/he is to be trained.

3. The job customarily requires a training period not less than 6 mos and not more than 2 years, fulltime.
4. The length of the OJT training is no longer than customarily required by the training establishment and other training establishments in the community to provide the required skills, arrange for acquiring of job knowledge, technical information, and other facts which the veteran needs in order to become competent on the job being trained.

5. There is adequate space, equipment, instructional material, and instructor personnel to provide satisfactory training on the job and provision is made for related instruction for the individual veteran who may need it.

6. Adequate records consisting of payroll, conduct, and progress on the job, and time spent on the job are kept and made available to the State Approving Agency and the Veterans Administration to review.

7. The veteran is not already qualified by training and experience for the job.

8. Wages to be paid the veteran upon entrance into training are not less than wages paid to non-veterans in the same training position and are at least 50% of the wages paid for the job for which s/he is to be trained, and will be increased in regular periodic increments until, not later than the last full month of the scheduled training period they will be at least 85% of the wages paid for the job for which the veteran is being trained.

9. It is reasonably certain the job for which the veteran is to be trained will be available to the veteran when trained.

10. The OJT training agreement and wage schedule described in and attached to this application is in conformity to State and Federal Standards for other On-the-job Training and is to the best of employer’s knowledge and belief, an accurate and complete plan of what the employer will follow. The wage schedule of this agreement does not supersede or abrogate the provisions of the Fair Labor Standards Act or other Federal and State Statutes.

11. A signed copy of the OJT agreement, including training program and wage scale as approved by the State Approving Agency is provided to the veteran, to VA and to the State Approving Agency by the employer.

12. Adequate records showing the progress, grades (if applicable) and wages of the Veteran, along with a copy of the OJT Agreement and all VA forms, will be maintained in the employer record and made available to the State Approving Agency and Veterans Administration for review and inspection at any time.

13. An authorized employee will act as the Certifying Official for GI Bill Training purposes, and to inform VA and the State Approving Agency via Form 22-8794, Designation of Certifying Official, if a new employee is selected.

14. Any enrollment, interruption or termination of training will be reported to VA and SAA within 30 days of event.
GLOSSARY OF TERMS AND DEFINITIONS

**Apprenticeship Training Representative:** An employee of the Bureau of Apprenticeship Standards who administers, oversees, regulates and provides technical assistance on apprenticeship programs at local level.

**ATR:** See Apprenticeship Training Representative

**Award Letter:** The official written notice from the Department of Veterans Affairs to a student of his or her monthly rate of payment, the inclusive dates of payment, and remaining entitlement at the end of the award period.

**Basic Educational Assistance:** As used under the Montgomery GI Bill—Active Duty, "basic educational assistance" means a monetary benefit payable to all individuals who meet basic requirements for eligibility under Chapter 30, title 38, U.S. Code, for pursuit of a program of education.

**Bureau of Apprenticeship Standards (BAS):** The agency within the Wisconsin Department of Workforce Development charged with the oversight responsibilities of Wisconsin’s registered apprenticeship program.

**Calendar Month:** A complete month (e.g., the complete month of June). This should not be confused with a 30-day period. The most common application of “calendar month” is to the interval between school terms, regarding entitlement to payment for an interval (38 U.S.C. 21.4138(f)).

**Certificate of Eligibility (COE):** A Form 22-1993a which is issued to an applicant showing approval to pursue a stated program of education at a particular institution, the remaining entitlement of the student, and the ending date of the student’s eligibility.

**Certifying Official:** The person at an institution who has been delegated authority to sign enrollment, certifications, other certification documents and reports relating to VA benefits.

**Change of Program:** A change of program consists of a change in the educational, professional, or vocational objective for which the veteran or eligible person entered training and a like change in the type of courses required to attain a new objective.

**Change of Training Facility:** There is no limit or restriction on change of training facilities for continued pursuit of the same course or program provided the veteran or eligible person is making satisfactory progress and there is no material loss of credit.

**Claimant:** An individual in the process of claiming VA benefits who is potentially eligible for benefits but who has not completed all the necessary steps which will permit VA to determine individual eligibility and entitlement.

**COE:** See Certificate of Eligibility.

**Confirmed Enrollment:** An enrollment certification which is dated and signed by the facility's certifying official on or after the first day of a certified enrollment period.

**DD Form 214:** The Certificate of Release or Discharge from Active Duty, which is prepared at the time an individual completes a period of active duty in one of the armed forces. Former members of the Public Health Service (PHS) and of the National Oceanic and Atmospheric Administration (NOAA) do not receive a DD Form 214, but they do receive comparable documents that provide necessary information concerning their active duty service.
Veterans should be advised to submit copy number 4 of their DD Form 214 with a claim for VA benefits. A certified copy may also be submitted.

**Delimiting Date:** The expiration date for education benefits. It is the first day after a claimant’s period of eligibility expires. Benefits are not payable on or after the delimiting date. Generally, the delimiting date is ten years and one day from the veteran’s last release from active duty date (RAD). For Chapter 33 (Post 9/11 GI Bill) the delimiting date is 15 years. The expiration date for those under Chapters 35 and 1606 is computed differently.

**Dependents’ Educational Assistance (DEA):** The benefits payable to eligible dependents or survivors of veterans. It is often abbreviated simply as DEA (Chapter 35).

**Education Liaison Representative (ELR):** The person at the VA regional office or “out station” location responsible for the education liaison and program approval functions. The ELR is responsible for promptly informing state approving agencies, schools, and training establishments of changes in policies and procedures.

**Education Services Officer (ESO):** This includes civilian education services officers, military career counselors, and other employees of the military education offices who are assigned responsibility for advising servicepersons of the educational opportunities available to active duty personnel.

**Educational Assistance:** This term is generally used interchangeably with the term “education benefits.” However, under the Montgomery GI Bill—Active Duty, the term “educational assistance” means basic educational assistance, supplemental educational assistance, and all additional amounts payable, commonly called “kickers.”

**Eligible Person:** A child, spouse, or surviving spouse of a veteran who served on active duty and who died of a service-connected disability, or who has a total disability permanent in nature resulting from a service-connected disability, or who died from any cause while a total and permanent service-connected disability was in existence. Also includes a child or a spouse of a person who is on active duty as a member of the armed forces and who now is, and, for a period of more than 90 days, has been, listed by the secretary concerned as missing in action, captured in line of duty by a hostile force, or forcibly detained or interned in line of duty by a foreign government or power.

**ELR:** See Education Liaison Representative.

**Enrollment Period:** This term means an interval of time during which a veteran or eligible person is enrolled in a training program and is pursuing his or her program of training.

**Entitlement:** The number of months the student will be eligible for VA education benefits. This is usually expressed in the numbers of months and days the student will be eligible for full-time benefits, or the equivalent in part-time training, but also may be expressed in a dollar amount. Entitlement will vary depending on the education program the individual qualifies under. In no event will entitlement exceed 48 months under any combination of laws.

**Facility Code:** The numerical code assigned by VA to an educational or training institution specifically identifying it or one of its subdivisions.

**File Number:** A seven-, eight- or nine-digit number assigned by VA to identify a claimant’s records. Most veterans have their Social Security numbers assigned as their VA file number. Dependents or survivors of veterans eligible for chapter 35 benefits are assigned a letter suffix (e.g., “A,” “B,” “W”) to the file number of the veteran.
Mitigating Circumstances: Unanticipated and unavoidable events beyond a student’s control that are responsible for the student’s inability to complete a training program. Generally, a student will be required to submit corroborative evidence to substantiate his or her reasons for being unable to complete the training.

NOBE: This is a DD Form 2384, Selected Reserve Educational Assistance Program Notice of Basic Eligibility, which the Selected Reserve member obtains from his or her National Guard or Reserve component unit stating his or her eligibility for the Montgomery GI Bill—Selected Reserve.

Objective: The final educational, professional or vocational goal of a veteran, serviceperson or eligible person (e.g., degree, diploma, certificate, occupation). A professional or vocational objective is one that leads to an occupation. It may include educational courses essential to prepare for the chosen occupation.

Post 9/11 G.I. Bill: Refers to the Chapter 33 GI Bill that went into effect on August 1, 2009 and included apprenticeship & OJT effective October 1, 2011.

Program of Education: A combination of subjects, unit courses or training activities pursued a training establishment that is generally accepted as necessary to meet requirements for a predetermined professional or vocational objective (e.g., occupation). An “approved program” is a course of study or program of training which the appropriate State Approving Agency has determined meets the legal requirements for payment of VA educational assistance benefits to veterans and other eligible persons.

Serviceperson: An individual who is currently serving on active duty. Same as “service member.”

Sponsor: Any sponsor, organization of employees, association of sponsors, committee or other persons operating an apprenticeship or on-the-job training program and in whose name the program is approved by the approval agency.

State Approving Agency (SAA): An agency appointed by the chief executive of a state to approve institutional programs of education and training for payment of benefits under the various laws administered by the VA. In Wisconsin, the Bureau of Apprenticeship Standards is the SAA for veterans participating in Apprenticeship and OJT programs and for Licensure & Certification benefits. The Wisconsin Department of Veterans Affairs is the SAA for veterans who are students at Institutes of Higher Learning (IHL), Non-College Degree programs (NCD), Correspondence, Flight, Farm Cooperative and Licensure & Certification benefits.

Survivors’ and Dependents’ Educational Assistance: The benefits payable to eligible dependents or survivors of veterans. It is often abbreviated simply as DEA (Chapter 35).
GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at http://www.benefits.va.gov/gibill.
