

## **Additional Details for Attending Tour or Meeting at Harley Davidson**

All should enter the entrance labeled “Tour Entrance”

- If there are any issues entering the plant, visitors can ask for assistance at the security desk of any of the entrances, or call Brandon Mortenson at 414.788.2452.
- The plant and the campus are tobacco free. If someone needs to use tobacco products while attending the meeting they will be shown areas off campus where they can use tobacco products.

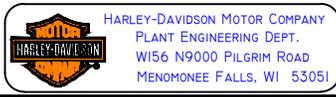

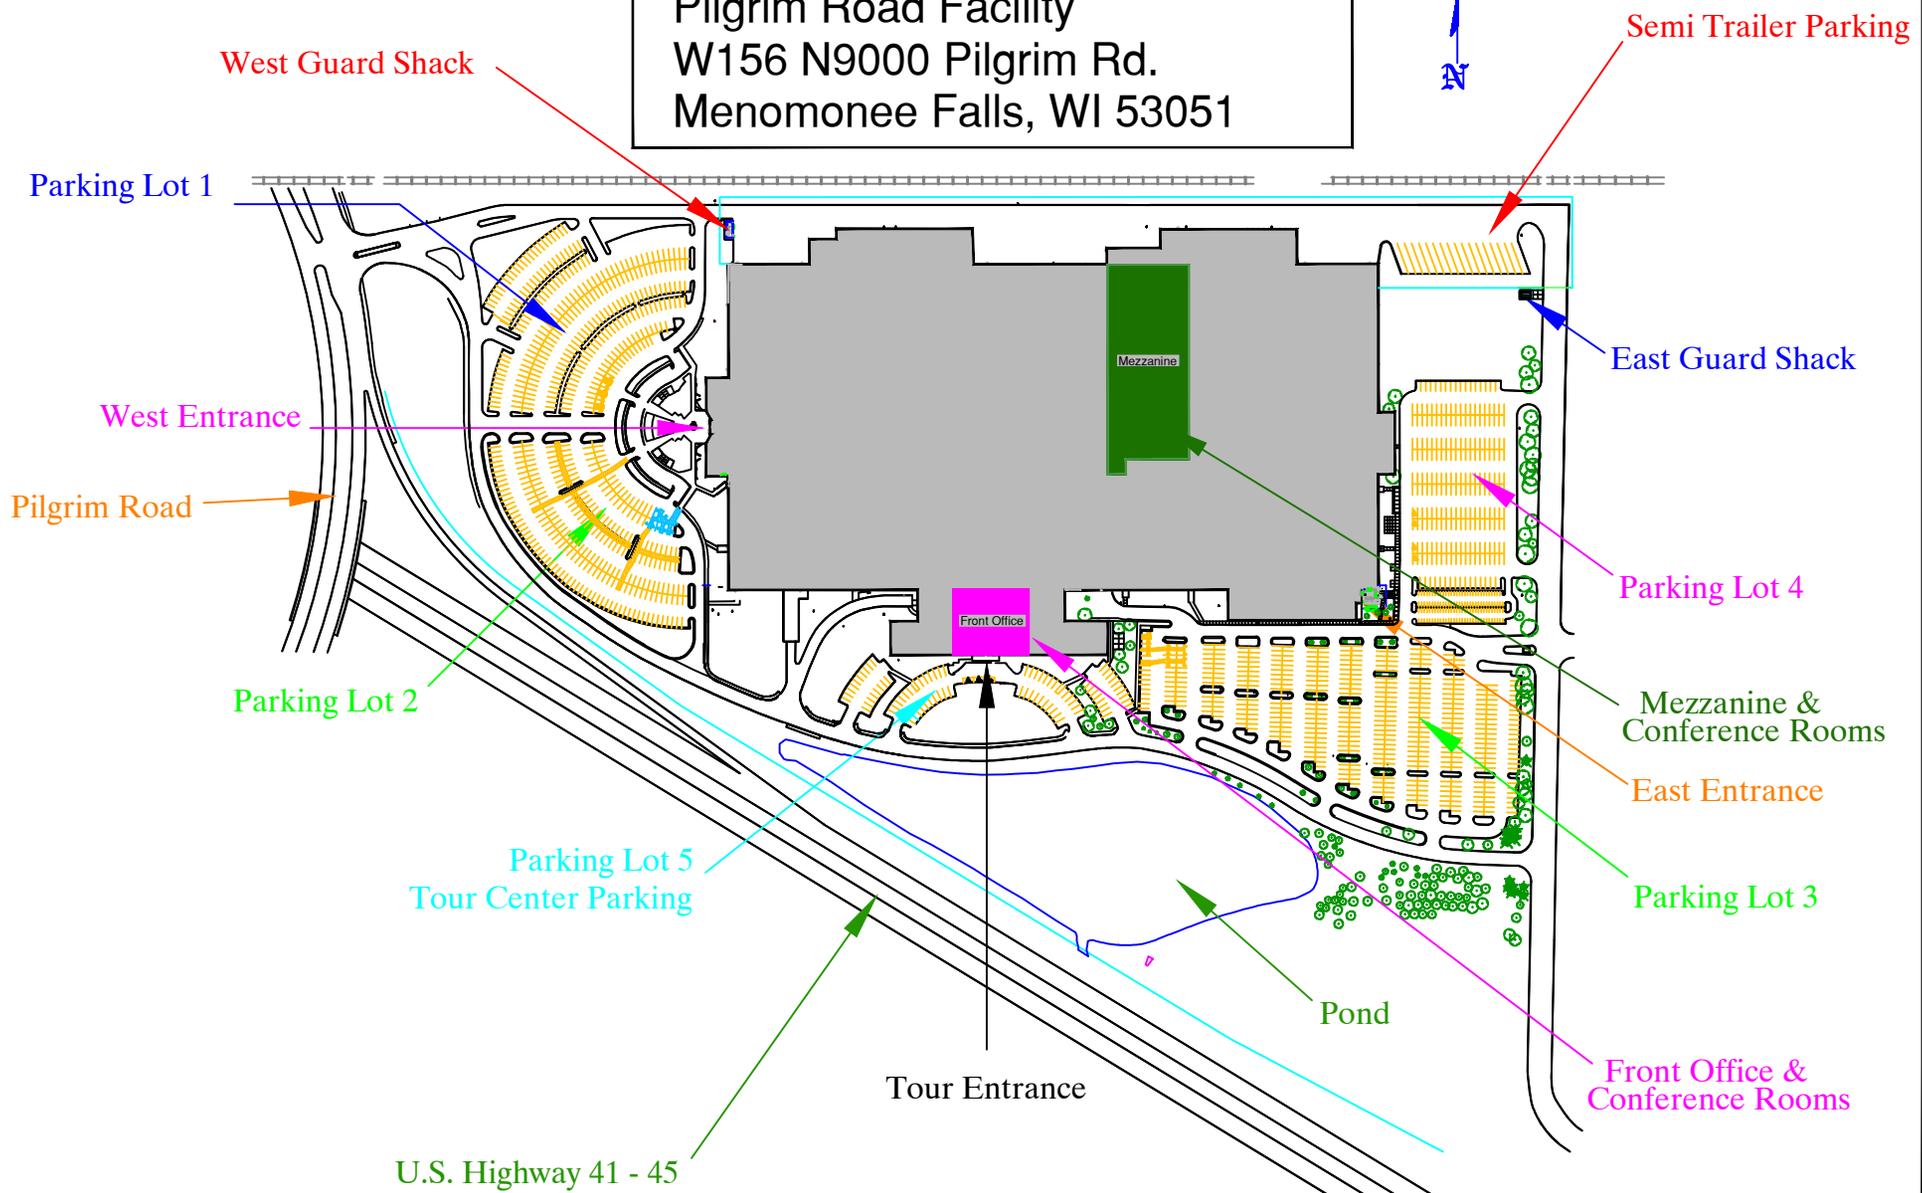

The following rules apply to the factory tour before the meeting:

- Fully enclosed, low-heeled shoes must be worn in the facility.
- Cell phones must be turned OFF while in the plant.
- Safety glasses must be worn at all times while in the plant.
- Tour guests must stay within the yellow pedestrian aisles on the plant floor.
- Guests are only allowed in the pedestrian aisles and not in work areas.
- Ear plugs must be worn at all times while in the plant.
- Do not touch any of the parts, scrap bins or machinery while in the plant.
- No photography or recording devices are allowed in the plant.
- Tour guests must be aware of motor vehicle traffic while on the plant floor and adhere to tour guide directions.

The Powertrain Operations gift shop will be open.

The gift shop is located where the meeting participants will enter and exit the plant.
