RE: Notice of Mass Layoff

Dear Members of the Dislocated Worker Unit:

In a letter dated March 21, 2016, Unimin Corporation advised you that they would be idling production at its facility located in Tunnel City, Wisconsin located at 20319 State Highway 21, Tomah, Wisconsin 54660.

Due to changing market dynamics the idling did not occur and there was no layoff of employees at our Tunnel City facility.
