To Whom It May Concern:

Consistent with the spirit of the law that encourages employers to provide notice to employees of a plant closure or permanent workforce reduction, UTi regrettably informs you that our operations at the 901 Renaissance Boulevard, Sturtevant, WI 53177 location are scheduled to end effective January 15, 2017.

We have been informed that the client will be continuing operations with a different 3PL provider and that 3PL provider will be offering employment to many of the employees, so we are hopeful that most of our employees will continue to perform the same or similar work that they have been performing for UTi Integrated Logistics.

This action is expected to be permanent.

The expected date of separation from UTi for all affected employees is January 15, 2017.

Information regarding the affected UTi employees is included on the attached spreadsheet.

Bumping rights do not exist.
