Re: Notice of Layoff

Dear Members of the Dislocated Worker Unit

Alkar-Rapid Pak, Inc. will be laying off employees from its facility at 817 N Main St, Lodi, WI. The temporary layoffs are prompted by the company's shortage of order intake.

This action is expected to result in possible layoff of 30 employees for a limited time frame. This will include up to 30 hourly employees. Alkar-Rapid Pak expects to begin layoffs beginning on March 8, 2018.

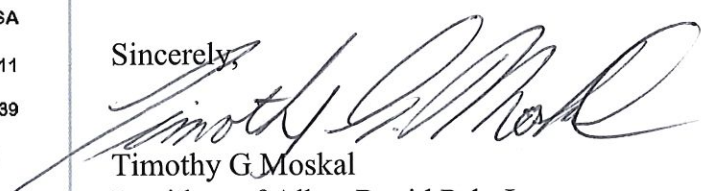

The hourly employees are represented by the Iron Workers Local 811 Union. The representatives are Josh Coleman, President and Chad Ganoni, Business Manager (715-843-0496). Interplant bumping rights exist with respect to the elimination of the represented positions.

Attached is a list of job titles and number of people affected and the anticipated layoff date for the hourly employees. Please note that because of interplant bumping rights and/or early retirement elections, it is impossible to predict with certainty which employees will ultimately be affected or the exact order in which individual employees will be separated.

The Company will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination.

If you need additional information, please feel free to contact Beth Loncki, HR Administrator at 608-592-6170.

Sincerely,

  
Timothy G. Moskal
