RE: Notice of Mass Layoff

Dear Members of the Dislocated Worker Unit:

Degen-Berglund, Inc. will be conducting a mass layoff at its facility at 4000 Mormon Coulee Rd., La Crosse, WI 54601, as a result of the closing of its durable medical equipment business line.

This action is expected to result in the permanent elimination of 30 employees – 2 salaried and 28 hourly positions. The company expects to begin eliminating positions on July 8, 2018 and will continue in phases until complete August 31, 2018.

The affected employees are not unionized.

Attached is a list of job titles, number affected within each job title, and the anticipated layoff date for the salaried and hourly workers. Please note that due to business needs and employee decisions, it is not possible to predict, with certainty, the exact separation dates for each affected employee.

The company will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination.

If you need additional information, please contact Jon Bingol, Director, Degen-Berglund, at 608-775-8526.

Sincerely,

Catherine Wooten, JD
