RE: Supplemental Notice Pursuant to the Worker Adjustment and Retraining Notification Act

Dear Sir/Madam:

On March 15, 2018, Toys "R" Us, Inc. (d/b/a Toys "R" Us OR Babies "R" Us) sent layoff notices to affected employees and relevant government agencies pursuant to the Worker Adjustment and Retraining Notification Act (better known, and referred to herein, along with similar state laws, as "WARN") regarding the anticipated permanent closure of its facility located at the above address (the "Facility"). Due to a further need for certain individuals' services as a result of a delay in the winding-down process, the termination date for the employees listed on the attached spreadsheet has been postponed, and is currently anticipated to be on or during a 14-day period beginning on June 16, 2018.

On or about May 29, 2018, all employees affected by this change were issued written notification of the extension of their employment period, at their option. The Company will continue to ensure that employees will be paid all earned wages and any benefits that they may be legally entitled to receive at the time of termination.

This notice is given based upon the best information available to the Company at this time. The Company's liaison for purposes of providing rapid response services to affected employees is Kara Sabino, Vice President, who can be reached at (973) 617-5293.

RE: Supplemental Notice Pursuant to the Worker Adjustment and Retraining Notification Act

Dear Sir/Madam:

On March 15, 2018, Toys "R" Us, Inc. (d/b/a Toys "R" Us OR Babies "R" Us) sent layoff notices to affected employees and relevant government agencies pursuant to the Worker Adjustment and Retraining Notification Act (better known, and referred to herein, along with similar state laws, as "WARN") regarding the anticipated permanent closure of its facility located at the above address (the "Facility"). Due to a further need for certain individuals' services as a result of a delay in the winding-down process, the termination date for the employees listed on the attached spreadsheet has been postponed, and is currently anticipated to be on or during a 14-day period beginning on June 16, 2018.

On or about May 29, 2018, all employees affected by this change were issued written notification of the extension of their employment period, at their option. The Company will continue to ensure that employees will be paid all earned wages and any benefits that they may be legally entitled to receive at the time of termination.

This notice is given based upon the best information available to the Company at this time. The Company's liaison for purposes of providing rapid response services to affected employees is Kara Sabino, Vice President, who can be reached at (973) 617-5293.

Sincerely,
