RE: Notice of Mass Layoff

This notice is being provided pursuant to the Workers Adjustment and Retraining Notification Act and Wisconsin's Business Closing and Mass Layoff Law, which require employers to give official notice to certain government units and officials of a pending mass layoff or business/plant closing, as those terms are defined in the laws. West Revenue Generation Services is providing this advanced, written notice to assist its employees in preparing for and adjusting to the layoff.

Due to the unexpected and unforeseeable cancelation of a contract from a major client (about which notice was received on July 23, 2018), West Revenue Generation Services will be having a permanent mass layoff at 8401 Greenway Boulevard, Middleton, WI 53562.

This action is expected to result in the permanent elimination of 112 employees. The company expects to eliminate positions on August 31, 2018. The employees will continue to receive their same level of pay and benefits until their layoff date unless, for example, they resign or retire or are discharged for good cause.
