RE: Notice of Business Closing

Dear Sir/Madam:

Black Horse Carriers will be permanently closing its terminal located at 5521 88<sup>th</sup> Ave, Kenosha, WI 53144. The closure has been prompted by the company's decision to discontinue service at this location. This action is expected to result in the permanent elimination of 107 employees – 8 salaried, 3 hourly and 96 Interstate-exempt (CDL A Drivers) positions. The company expects to close its business on January 22, 2019. A union does not represent the employees.

Attached is a list of job titles, number affected within in each job title and the anticipated layoff date for the exempt and non-exempt workers. The company will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination.

If you need additional information, please do not hesitate to contact me.

Sincerely,

Nancy AB Brooks
