RE: Notice of Business Temporary Closing

To Whom It May Concern:

On January 8, 2019 the Intercontinental Milwaukee located at 139 E. Kilbourn Avenue, Milwaukee, WI 53202 will be closing in order to undergo renovations. It is expected that the hotel will re-open as a new Arts Hotel on or before June 1, 2019. The hotel is part of Marcus Hotels & Resorts which is a division of The Marcus Corporation.

This closing is expected to result in the termination of 115 non-union hourly positions on January 8, 2019. Attached is a list of job titles and the number of affected associates within each job title. Associates will be offered the opportunity to re-apply when the hotel re-opens which is expected to occur on or before June 1, 2019. For those that return, their service will be immediately bridged to reflect no gap in service.

Please note that we will offer associates the opportunity to remain employed by applying for a transfer to other positions at other locations within The Marcus Corporation. Additionally, while we are offering a retention bonus for those associates who continue working until January 8, there may be some associates that voluntarily choose to leave sooner. For these reasons, the above total number of associates affected may change.

The company will ensure that associates will be paid all earned wages and agreed upon benefits at the time of their termination.

The Office of the Mayor for Milwaukee has also been notified as per WARN Act notification requirements.
