Re: WARN Notice

Dear Members of the Dislocated Workers Unit,

On January 16th Shopko filed voluntary petitions for a court-supervised financial restructuring under Chapter 11 of the United States Bankruptcy Code. As part of the reorganization plan, we have made the difficult decision to close additional store locations. There will be 24 store locations closing in Wisconsin. Not all of the stores have the number of full time employees that qualify it for a WARN to employees. But, we are notifying the state of all the stores in WI that will be closing. There are approximately 1,000 jobs that will be eliminated through store closings. The stores are anticipated to close on or about May 6, 2019 through May 13, 2019.

In addition, this reduced footprint impacts the level of staffing and resources needed at the Store Support Center, 700 Pilgrim Way, Green Bay, WI 54304. In the coming weeks we will be evaluating the Store Support Center (SSC) staffing levels to determine which positions will remain. At this time, the types and number of positions needed have not been defined, but we estimate that approximately 140 jobs at the SSC will be impacted. These reductions are expected to be effective on or about April 8, 2019 and are expected to be permanent.

Shopko does not have a job bumping system, so more junior employees will not be displaced as a result of this reduction in force.

We are extremely grateful for the support each of these communities has provided Shopko. The complete list of stores is attached in Appendix A.

If you have questions, please feel free to contact me at the 700 Pilgrim Way, Green Bay, Wisconsin, 54301 or call me at 920-429-4287.

Sincerely,

Denise M. Domian
Chief Human Resources Officer
