Re: WARN Notice

Dear Sir or Madam:

Merit Gear LLC will permanently close its manufacturing plant located at N2440 Highway 45, Antigo, Wisconsin 54409. The reductions in operations will result in the permanent layoff and termination of approximately 80 employees at the facility. No bumping rights exist which could affect those to be laid off.

This reduction in operations and in workforce is presently scheduled to occur in several phases with the last phase scheduled for some time during the first quarter of calendar year 2020.

The Company intends to offer severance benefits and transition programs (including outplacement services) to affected associates. Information concerning the number of affected employees by job title will be maintained at the facility.

The Company will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination.

If you have any questions about this notice, please contact me. My direct dial number is 414-233-7659 and my email address is kim.harman@rexnord.com.

Respectfully,

Kim Harman
