This notice is being provided to inform you that Intel Corporation ("Intel" or "Company") has decided to close its office, which will result in the layoff of approximately 62 employees, at 1825 N. Clairemont Ave. Eau Claire, WI 54703.

The termination date for these affected employees will be August 15, 2019. All employees have or will receive notice that meets or exceeds the notice required by the WARN Act regardless of whether WARN was triggered.

The layoffs at issue are permanent. The employees do not have the right to displace or bump any other Company employee, and they will not be recalled to work. None of the employees are represented by a union.

Further, additional benefits including payment based on years of service will also be offered to the employees in exchange for a standard release agreement.

If you require further information from a Company representative, please contact me at 480-715-0001.

Sincerely,

INTEL CORPORATION

John McKimney
