Re: Notice of Temporary Closure Notice

This notice is to inform your office that Feradyne Outdoors will be temporarily closing at the following locations:

101 Avenue, Superior WI 54880 and 1230 Poplar Avenue, Superior WI 54880

This closure will impact 226 employees total.

An initial closure was implemented on March 25, 2020 for staff working at the above locations. The individuals on site were noticed on March 24, 2020 of the closure in order to comply with Governor Evers Emergency Order #12, Safer at Home. The closure is in effect until April 24, 2020.

Some of our employees had previously been identified as work from home status in the week prior to March 25, 2020.

Effective March 29, 2020 a second round of notices were given to employees. This notice was given as a furlough notice to individuals who were both impacted by the site closure, and who had previously been on a work from home status.

The planned action is expected to take place from March 25, 2020 through April 24, 2020 and is considered a temporary closure. Both employment sites are to be closed until the Emergency Order from Governor Evers lifts.

At this time employees are expected to report back to work on April 27, 2020 and resume normal business operations. During the closure employees are considered furloughed and will not have paid hours of work.

For further information you can contact Jacinta Roth, Director of Human Resources and Safety at 715-395-9955, extension 5190 or by email jroth@feradyne.com.
