Dear Members of the Dislocated Worker Unit:

While we officially closed on March 17, 2020, on March 27, 2020 the YMCA of Northern Rock County has temporarily furloughed a large percentage of our workforce due to closure of facilities as mandated by the State of Wisconsin in response to the COVID-19 pandemic. The duration of closure remains unknown at this time. We have limited operations in both Janesville and Milton providing emergency child care for essential workers in the community.

Affected employee totals by location are as follows:

**Janesville**

112 part-time  
2 full-time

**Milton**

28 part-time

As responses to this pandemic begin to ease and businesses are allowed to resume in part or fully, so shall our response with regard to staffing. During this temporary furlough the YMCA of Northern Rock County will ensure employees are paid all earned wages and agreed upon benefits.

If additional information is needed, please contact me at [abolson@ymcajanesville.org](mailto:abolson@ymcajanesville.org) or (608) 754-9622 ext. 115.

Respectfully,

Angie Bolson
