RE: Notice of Furlough

Dear Members of the Dislocated Worker Unit:

This letter is to inform you that Emmi Roth will be implementing a temporary furlough of certain positions at our plant located at 124 E. Bronson Rd, in Seymour, Wisconsin 54165. This is a direct result of the unforeseeable coronavirus pandemic which significantly reduced the orders for product made in our Seymour plant. We will continue a portion of our operations with a reduced staff.

The 32 hourly employees affected by the downturn in business were notified on two different occasions as production needs significantly dropped between notification dates. The first group of 7 employees were notified on April 10 with a start date of April 13; the second group of 25 employees were notified on April 20 with a start date of April 27. The temporary furlough is expected to continue through approximately June 1 and we plan to recall all affected employees. Attached in Appendix A is a list of job titles and number affected within each job title.

None of the employees are represented by a collective bargaining unit.

Please contact me directly at denise.lofquist@emmiroth.com or 608-851-0186 if you need additional information.

Sincerely,

Denise Lofquist
VP of Human Resources
