Re: Notice of Layoff

Dear Members of the Dislocated Worker Unit

Alkar-Rapid Pak, Inc. has laid off employees from its facility at 817 N Main St, Lodi, WI. The temporary layoffs are prompted by the effects of COVID - 19.

This action is expected to result in possible layoff of 25 employees for a limited time frame. This will include up to 25 hourly employees. Alkar-Rapid Pak's layoffs began on May 18, 2020.

The hourly employees are represented by the Iron Workers Local 811 Union. The representatives are Gary Collins, President and Kurt Grezinski, Business Manager. Interplant bumping rights exist with respect to the elimination of the represented positions.

Attached is a list of job titles and number of people affected. Please note that because of interplant bumping rights and/or early retirement elections, it is impossible to predict with certainty which employees will ultimately be affected or the exact order in which individual employees will be separated.

The Company will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination.

If you need additional information, please feel free to contact Brooke Denu, HR Administrator at 608-592-6170.

Sincerely,

Timothy G Moskal  
President of Alkar-Rapid Pak, Inc
