RE: Notice of Temporary Layoff

Dear Members of the Dislocated Worker Union:

We are notifying the Dislocated Worker Unit that Union Cab of Madison Cooperative will be extending our Temporary Layoff of 126 workers through July 27, 2020.

Union Cab of Madison Cooperative was affected quickly and severely by the effects of the COVID-19 pandemic. When Governor Evers announced schools to be closed effective March 18, 2020, our business dropped over 50% by the end of that week. At that time the Cooperative had 187 active workers. On March 22, 2020 we issued Temporary Layoff Notices, by email and postal mail, to 94 workers for eight weeks through May 26, 2020 in accordance with our Layoff Policy. The following week when the Governor's Stay At Home Order went into effect, our business dropped an additional 25%. On March 29, 2020 we issued Temporary Layoff Notices to an additional 19 workers through May 26, 2020 by email and postal mail in accordance with our Layoff Policy. During the month of April we issued Temporary Layoff Letters to an additional 13 workers through May 26, 2020 in accordance with our Layoff Policy. On May 2 we issued Extended Temporary Layoff Notices to all 126 laid off workers for an additional four weeks through June 7, 2020 by email and postal mail.

As June 7, 2020 approaches, our business has yet to rebound. On Wednesday, May 27, 2020 we will be notifying all 126 laid off workers by email and postal mail that the Temporary Layoff is extended through July 27, 2020. We are hopeful that by taking this action today Union Cab of Madison Cooperative will be able to recall all our workers one by one in accordance with our Recall Policy by July 27, 2020 as our business slowly rebounds over the summer months. Otherwise we will have to place those workers without schedules on Indefinite Layoff.

The following is the list of the number of workers within each job title currently on Temporary Layoff, that we hope to recall no later than July 27, 2020:

Management	1 worker
Administration	5 workers
Dispatcher	3 workers
Phone Answerer	6 workers
Waybill Processor	1 worker
Maintenance	3 workers
Taxi Driver	107 workers
