Re: Verso Corporation – 310 3<sup>rd</sup> Avenue North, Wisconsin Rapids, WI 54495

This is to notify you pursuant to the Worker Adjustment Retraining and Notification Act (WARN), 29 U.S.C. § 2101, and the Wisconsin Business Closing and Mass Layoff Law that Verso Corporation will indefinitely idle and implement layoffs at its facility located at the address above. Employees will be laid off on July 31, 2020. This action will affect 902 employees at that time. Some employees will be kept on after July 31, 2020 to continue limited operations and/or to maintain the mill, but we do not know the number of employees or for how long, at this time.

As you are no doubt aware, the COVID-19 virus reached pandemic proportions and the federal government, and many state and local governments declared states of emergency and issued business closure and travel restriction orders. These circumstances resulted in a significant and unexpected decrease in customer orders. These sudden and unexpected circumstances adversely affected our business operations and, unfortunately, prevented us from providing notice sooner.

All of the information required by 20 CFR § 639.7(e) is available on site for your review.

For further information regarding this matter, please contact Marc Singleton, Human Resources Manager at (715) 422-3340.

Sincerely,

A handwritten signature in black ink that reads "Mike J. Glodowski".
