Re: Levy Premium Foodservice Limited Partnership ("Levy") operation at Fiserv Forum

To Whom It May Concern:

This letter will serve as our official notice under the Worker Adjustment and Retraining Notification (WARN) Act and the Wisconsin Business Closing and Mass Layoff Law that Levy's operation at Fiserv Forum, located at 1111 North Vel R Phillips Avenue, will undertake a mass layoff resulting in permanent termination of employment for certain salaried managers and hourly team members to be effective on August 1, 2020. This action is expected to affect 47 team members. The effected hourly team members had primarily experienced reductions in scheduling since March 2020 and the effected salaried managers had been furloughed since May 2020. At the time of those actions, the company expected the actions to be short term. Given the continued unforeseen business circumstances created by recent sports league announcements that teams would not return to playing in front of fans for a number of months, and/or government directives requiring longer term cancellation of large events due to the COVID-19 pandemic, additional notice of job loss was not practicable. While terminations are permanent, all terminated team members have been invited to apply for future employment as positions become available when business levels return following the pandemic.

The job titles of the affected positions and the number of affected team members in each job classification are shown on the attached enclosure. The team members who are included in this notice are not represented by a labor organization as defined in the National Labor Relations Act and related laws and no bumping rights exist.

Should you have any questions concerning this matter, please contact me at 262-930-8896

Yours truly,
