Re: Closure Notice-NSH Shawano-Maple Lane LLCd/b/a Maple Lane Health Services  
To Whom it May Concern:

NSH Shawano-Maple Lane LLC (Maple Lane) will be entirely and permanently discontinuing its business located at N4231 State Hwy 22 Shawano, WI 54166. As the Wisconsin Department of Health Services has recently approved the resident relocation plan for the nursing home residents, we anticipate the date of closure will be approximately 90 days from today's date.

This action is expected to result in the permanent elimination of 44 positions. Maple Lane expects to begin to eliminate positions as residents transfer to other facilities. Position elimination will continue as the 90-day relocation/closure process or such time as the residents for Maple Lane relocated, whichever is longer.

As Maple Lane has three "sister" facilities in the Shawano area, and several other centers in nearby communities, all of which have position vacancies, we will be encouraging the current staff members to seek positions within our organization and hope to be able to provide options for most, if not all, current employees.

The Job Titles of each position and the number of affected employees in each job classification expected to terminate due to closure is as follows:

Positions Effected	Number of Positions
Activities Coordinator	3
Business Office Manager	1
Certified Nursing Assistant	15
Dietary Aide	4
Dietary Cook	4
Dietary Service Manager	1
Director of Nursing	1
Executive Director	1
Housekeeping Assistant	3
Housekeeping Manager	1
Laundry Assistant	1
Licensed Practical Nurse	2
Life Enrichment Specialist	1
Maintenance Director	1
Medical Records Coordinator	1
Registered Nurse	4
Social Services Coordinator	1

Sincerely,

A handwritten signature in black ink.
