The Wisconsin Department of Workforce Development  
Dislocated Worker Unit  
PO BOX 7972  
Madison, Wisconsin 53707

Re: Notice of Mass Layoff

Dear Members of the Dislocated Worker Unit:

Advanced Pain Management ("APM") regrets to inform you that, due to business reasons, it will permanently lay off 3 employees at its Greenfield, Wisconsin facility located at 4131 West Loomis Road, Suite 300, Greenfield, Wisconsin 53221. This action will affect only parts of the Greenfield corporate office. The layoffs will be permanent. APM hopes to accomplish these layoffs with the least possible disruption to the lives of our employees, their families and the community.

APM expects these layoffs at its Greenfield corporate office to take place on September 25, 2020, and each affected employee's position is expected to be eliminated on that date. The employees whose jobs will be eliminated by this action will have no bumping rights that would allow them to move to another facility or remain employed after September 25, 2020.

The list attached as Exhibit A contains job titles of the positions that will be eliminated from the Greenfield corporate office and the number of affected employees in each job position. Should you have any questions or need additional information, please contact Bob Bunker at (414) 325-3737.

Regards,

Bob Bunker  
President and Chief Executive Officer  
APM Wisconsin MSO, LLC
