RE: PC/Nametag, Inc. – Extension of Temporary Layoff/Furlough Notice

Ladies and Gentlemen:

The purpose of this letter is to inform you that PC/Nametag, Inc. is extending a temporary furlough involving a number of its staff at its facility located at 124 Horizon Drive, Verona, Wisconsin, 53593. The furlough extension is in response to unforeseen circumstances relating to the global pandemic involving the SARS-CoV-2 virus and illness it causes, known as Coronavirus Disease 2019 (COVID-19), impacting the business. As we have previously notified you, PC/Nametag has had to implement a layoff of several previously furloughed employees. The remainder of the furloughed employees will have their furloughs extended effective today, July 31, 2020. This extension will affect 7 employees. We anticipate that the furlough will be temporary, through August 24, 2020, but may be extended beyond that date, depending upon circumstances at that time.

Enclosed is a list of affected employment positions and the number of affected employees in each affected position. The employees are non-union and do not have any bumping rights. If circumstances necessitate a permanent layoff or termination date, we will notify you in writing. The Company will ensure that employees are timely paid all wages earned through the date of any furlough or layoff.

Please let me know if there is anything we can do to assist the Department of Workforce Development, its Workforce Development Board, or the City to share information with our employees concerning any federal, state, or local government benefits or resources that may be available to them under the circumstances.

Please also contact me at (608) 845-1892 if you have any questions or require any additional information. Thank you.

Sincerely,  
PC/Nametag, Inc.
