RE: Notice of Business Closing

Dear Members of the Dislocated Worker Unit

Stellar Mold & Tool, Inc. will be permanently closing its facility at 20850 W Gale Avenue, Galesville, WI 54630. The closure has been prompted by the company's decision to discontinue the product line manufactured at this location.

This action is expected to result in the permanent elimination of 22 hourly positions. The company has already begun to eliminate positions and will continue in phases until complete closure on August 31, 2020.

Sincerely,

Jeff Stegemeyer
