Re: **Notice of Employment Termination Due COVID-19 Pandemic
Aramark at The Fluno Center 601 University Ave., Madison, WI 53715-1035**

To Whom It May Concern:

On August 17, 2020, in accordance with the Federal WARN Act, you were issued a letter stating that Aramark's location at The Fluno Center for Advanced Studies in Business was closing as of August 31, 2020. We were recently informed by The Fluno Center for Advanced Studies in Business it will not be closing; however, it does not anticipate business improving for an undefined period of time and will only need our services in a limited capacity during this intervening time-period.

Accordingly, this letter will serve as notice in accordance with the federal Worker Adjustment and Retraining Notification Act, 29 U.S.C. § 2101 et seq. ("WARN"). The event was caused by COVID-19 related business circumstances that were not reasonably foreseeable at the time that WARN notice would have been required. We regret to inform you that all or most of the Aramark employees assigned to that client account will be or have been affected.

1. As a result of the event described above, Aramark expects to terminate the employment of most of its employees at The Fluno Center for Advanced Studies in Business as of August 31, 2020. We anticipate an improvement in business conditions as soon as reasonably feasible depending on the evolving COVID-19 pandemic and based upon our client's business needs but do not yet know when that will occur.
2. The specific job titles of our employees affected by this temporary closing, as well as the number of our employees in each job classification, are listed on the attachments to this notice.
3. There are no bumping rights applicable to these employees.
4. Our employees affected by this action are not represented by a union, but all affected employees have been notified of their termination from employment.

If you have any questions or for further information, please call me at 602-331-5226.

Very truly yours,
Jordan Glazier
