Re: Notice of Restructuring and Consolidation of Waukesha Facility

To Whom It May Concern:

Krones Inc. has announced the launch of the Krones Processing Group North America to provide a more cohesive offering to beverage, dairy, and food industries in North America, Central America, and the Caribbean. An evolutionary next step since the acquisition of Tampa, FL-based Trans-Market LLC in 2016, Javlyn Process Systems of Rochester, NY in 2017, and Waukesha, WI-based W.M. Sprinkman Corp in 2018, this holistic offering combines over 165 years of industry experience in design and implementation of turnkey process systems including engineering, automation, installation, distribution and Lifecycle Service. All of this expertise is backed by a global industry leader in processing, packaging, and intralogistics technology that is KRONES.

With this launch comes the consolidation of operations of W.M. Sprinkman, which will result in the closure of its facility located at 404 Pilot Ct., Waukesha, WI 53188, integrating production into Sprinkman's Elroy, WI and Trans-Market's Tampa, FL locations. Several sales, engineering and administrative functions will be continued in the Waukesha/Milwaukee area. Other Krones Processing Group North America offices will remain at their current locations in Texas, California, and New York. The realignment is intended to further strengthen operational efficiencies with the launch of Krones Processing Group North America.

As a result of the consolidation, W.M. Sprinkman expects to permanently lay off 30 employees at its Waukesha facility. Layoffs are expected to begin around December 4, 2020 and will occur in stages depending upon the need for workers as the consolidation takes place. Attached to this letter as **Exhibit A** is a list containing the job titles of the positions that will be affected, the number of affected employees in each job classification, and the expected termination date. No bumping rights exist.

Engineering & Design • Manufacturing • Installation • Field Services

W.M. Sprinkman LLC • 404 Pilot Court • Waukesha, WI 53188 • Toll Free: (800) 816-1610

A Member of the KRONES Group

Processing Made Better.

Dairy • Food • Beverage • Personal Care • BioScience • Brewing
