Dear Mayor Horne,

In accordance with federal and state WARN requirements, Wisconsin Central School Bus provided notification of the closing of our facility in New Richmond, Wisconsin via letter dated March 18, 2021. As the prior letter stated, the closure is a direct result of the New Richmond School District's decision not to renew the school bus transportation services contract for next year.

As an update to the prior notice, the Company is officially notifying the local elected official, the state, and our employees of the closure of the New Richmond location and the termination of employment beginning on or about Friday, June 4, 2021 (regular school year) and ending on or about Wednesday, June 30, 2021 (summer school).
