Re: Updated Notice of Plant Closing

Dear Bureau of Workforce Training Representative:

This letter is an update to our prior communication of January 25, 2021 and is intended to comply with the notice obligations of Conagra Brands, Inc. ("Conagra") under the Worker Adjustment and Retraining Notification Act and Wis. Stat. § 109.07 (collectively, the "WARN Acts"). However, the giving of this notice and the prior notice shall not constitute an acknowledgement by Conagra of any obligations under the WARN Acts in the event the effects of the plant closing described in this notice and the prior notice are such that the requirements of the WARN Acts do not apply.

As previously announced in January 2020, Conagra will be discontinuing its production operations and closing its facility located at 7620 N. 81st Street, Milwaukee, Wisconsin 53223 (the "Milwaukee Facility") to improve efficiencies and effectiveness within its supply chain network.

Conagra's decision to close the Milwaukee Facility will affect all employees and is expected to be permanent. Based on revised projections, it is now anticipated that the Milwaukee Facility will close on August 27, 2021, or within fourteen days. All employee separations will occur on August 27, 2021, or within fourteen days. This change to the Milwaukee Facility closure date and employee separation dates are due to unforeseen delays in transitioning production from the Milwaukee Facility to other locations within Conagra's supply chain network.

As a result of the closing, employees in the following job classifications will be separated from employment:

Production and Production Support	165
Management and Administrative	16
Total	181

None of the employees are represented by a union. No employees at the Milwaukee Facility have bumping rights.

A detailed list of the job titles of positions and number affected within each job title, as well as the updated anticipated termination date, will be maintained on site at the Milwaukee Facility and is available for your inspection.

If you have any questions, please contact me at 402.240.4706 or Richard.Wallen@conagra.com.

Sincerely,

Richard Wallen

Director Human Resources
Conagra Brands, Inc.
