RE: Notice of Business Closing

To Whom It May Concern:

Algoma Medical Center, also known as Algoma Long Term Care Unit (“AMC”), a subdivision of the City of Algoma, Wisconsin, will be permanently closing its facility at 1510 Fremont Street, Algoma, Wisconsin 54201. The closure has been prompted by the City of Algoma’s decision to sell AMC’s facility and operations to a private party, and as part of that sale, the private party has not agreed to hire substantially all of the affected employees with not more than a 6-month break in employment.

This action is expected to result in the permanent elimination of 54 employees – 5 salary and 49 hourly positions. All layoffs in connection with this action are expected to occur on July 1, 2022. All affected employees have been or will be notified of their separation dates and that their separation from employment with the AMC will be permanent. The job titles of positions that will be affected, and the number of affected in each category, is enclosed.

AMC will ensure that employees will be paid all earned wages and agreed upon benefits at the time of their termination. AMC policies do not contain any provisions for transfer, bumping rights or reassignment of salaried personnel.
