**RE: Worker Adjustment and Retraining Notification ("WARN")
DEBOER TRANSPORTATION, INC.– SHERRY, WI LAYOFFS**

Pursuant to the Federal Worker Adjustment and Retraining Notification Act ("WARN") and the Wisconsin Plant-Closing Law, Wisconsin Statutes § 109.07, this notice is being provided to give official notice to certain governmental units or officials that deBoer Transportation, Inc. ("deBoer") is permanently ceasing its operations out of its location in the Town of Sherry, Wisconsin.

Separations of employment from deBoer for affected employees will occur by August 13, 2022. There are no bumping rights, nor is there any designated union representing the affected employees. deBoer expects to lay off 59 affected employees at the above location. Lists of the job titles to be affected and the number of affected employees in each job classification is enclosed as a table below.

SHERRY, WI	
POSITION	COUNT
Driver	18
Office	24
Shop	17
Grand Total	59

The layoffs are expected to be permanent and deBoer will no longer provide transportation services at the location above.

Although such WARN notice may not be required in this circumstance as employees may be offered other positions with affiliated companies, and job loss might not exceed the mass layoff or plant closing notice threshold, we are providing this notice out of an abundance of caution under WARN and any companion state law.

This notice is being provided to you in accordance with federal and state legislation in such circumstances.

For further information, you may contact Laurie Smith at (920) 357-3260.

Sincerely,

Jared Stedl
